New Spiral Stairway to Loft, and Other RCGS News

On 28 November 1922, a beautiful limestone building providing facilities for institutional management, and cafeteria, tearoom, luncheon, dinner and banquet services was opened at Kansas State College of Agriculture and Applied Science at Manhattan, KS. The total cost of the building and equipment was $125,000, and it still stands proudly in the southeast corner of the KSU campus, now used for the Departments of Geography and Geology.

In 1925 this building was named Thompson Hall in honor of Dr. Helen Bishop Thompson, Dean of Home Economics from 1918 to 1923. Within this building was a cast iron spiral stairway that recently, because of remodeling, became obsolete.

George Ward got word of this narrow stairway and made arrangements with KSU to donate it to the Kansas State Historical Society for use by our RCGS in the Goodnow Barn. George took the stairway apart, had it sandblasted, applied a new coat of paint, and with the assistance of Elvin, Mark, and Don Chatelain, installed it in the Barn. The way to the loft is now secure, and the size of our useful space in Goodnow Barn is now doubled.

To make the loft safe for our use, Earl Sitz came to our rescue and built a substantial railing along the edge. Lamar Ratcliff helped Earl install the railing, and now Earl is busy building shelves for the loft. When ready, we will take the less frequently used materials to the loft, making room for more new books downstairs.

Everyone is coming forth and assisting in whatever way he can to make our new library a huge success

One of the colder days saw Jack Byers don his heavy gloves as he sat in the Barn looking for his ancestors. This prompted his volunteering to insulate the barn the next day. High up on the ladder, he stuffed insulation into the cracks between the stones and the roof, and now the Barn is many degrees warmer on those cold winter days. Again,we extend our appreciation.

The present policy of having the library open 21 hours a week seems to be sufficient, except that there are still requests to have it open one evening a week. As soon as it warms up a little, we will try this. During the first six months, we have had 1,500 persons use our facility, including many from out of town.

TWO REMINDERS:

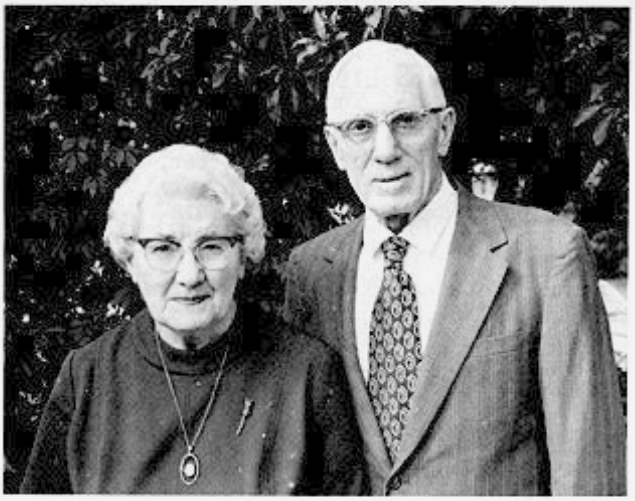

1. Many of you have never turned in a pedigree chart for our files. The advantage of this service is to preserve your records and also to provide a tool for contact between individuals with common lines. Earl Teagarden makes index cards for each of your ancestors, and urges you to check the file. He is making a list of all of you who have neglected to turn in your chart.

2. Some of you have forgotten to pay your 1978 dues. We need everyone's contribution , so please pay your $5.00 or $6.00 (family) dues to George Ward soon.

Also, don't forget your contribution to the Darby Memorial. If you would rather contribute a book in his name, that is fine.

This will be your last KANSAS KIN unless you pay your 1978 dues!

-- Elaine Olney, president

Earl H. and Edna Wilkin Teagarden

Samuel Auld Family Records, 573 Pages, Is Eighth Compiled by Teagardens

For RCGS charter members Earl H. and Edna Wilkin Teagarden, their retirement years have been busy ones, for they have traveled extensively, researched diligently, and published eight family records.

Earl became seriously interested in genealogy in 1946 when he was asked to compile the record of his grandfather George Wilson Teagarden and his descendants. That material became a portion of the book, "Descendants of ABRAHAM TEGARDEN,"which was compiled and edited by Helen Vogt in 1967.

Since then Earl has compiled the following family records:

"Family Record of JAMES CARSE Sr., 1793-1846, and His Descendants." 1972

"A Family Record of GEORGE ANTHONY, 1787-1862, and His Descendants." 1973

"A Family Record of Charles Sumner Teagarden, 1860-1951, and His Descendants." 1975

"A Family Record of JOHN GUTTERY, 1811-1859, and His Descendants." 1976

" A Family Record of ROSCOE EDWARD TEAGARDEN, 1877-1924, and His Descendants. 1977

Edna Wilkin Teagarden became interested in genealogy in 1962 when she and her husband attended a reception for the 100th birthday of a great grandmother. Prior to that time, she had been asked to provide the information on her immediate family for inclusion in the book, "ROBERT WILKIN, 1766-1835, and Mary (Hyde) Wilkin, Their Parents and Descendants," prepared by Flora McIntyre and Lula M. Wilkin in 1962.

In 1974, Mrs. Teagarden compiled "The Family Record of JOHN WILSON, His Three Children: Thomas H. Wilson (1800-1860), Samuel Wilson (1803-1884), Sarah Wilson McWilliams, and Their Descendants."

The eighth book, compiled by Mrs. Teagarden and printed in late 1977, is "The Family Record of SAMUEL AULD, HIS TEN CHILDREN AND THEIR DESCENDANTS." It has 573 pages, including a 36 page index of persons and places, many photographs, maps showing the location of family homes, detailed biographies of family members, and current addresses.

More About the Earl G. Darby Memorial Fund

RCGS President, Elaine Olney, has asked a committee composed of Miss Mildred Loeffler, Mrs. Henrietta Darby, and Earl H. Teagarden, chairman, to continue to solicit contributions to the fund and to determine the investment of the funds and to make purchases that will be of practical use to members.

The committee has suggested that some members may desire to purchase a book in memory of Earl Darby. Others may desire to contribute cash to swell the present fund which is about $150.00

This is the manner in which each of us may express our appreciation for the hundreds, even thousands of hours, which he gave for our Society.

Mail contributions to Riley County Genealogical Society, 2224 Stone Post Road, Manhattan, Kansas 66502.

Teagardens, and Samuel Auld Family Records

Continued from page 3

The family outlines, charts, and data are invaluable, as are the detailed sources and credits. Very few of her limited edition of the copyrighted book are available from the author at the original purchase price of $22.25, and RCGS is indeed fortunate to have received a gift copy.

Edna Wilkin retired as head of the Home Economics department at Stephen F. Ausin State University, Nacadoches, TX, and married Earl Teagarden in 1961. Earl retired in 1962 from his position as Southwest District Agent for the Kansas Cooperative Extension Service, following which he was asked to write the three-volume "History of the Extension Service in Kansas."

Since their retirement, they have traveled to the British Isles, Scandinavian countries, Canada, and much of the United States, including Alaska and Hawaii. Many of their trips have been family-finding ones, where they have acquired new information, pictures, relatives, and friends.

They are active in many organizations, including DAR and SAR. This month they are leaving for Clearwater, Florida, to attend the mid-year meeting of the Rainbow (42nd) Division Veterans Association and visit friends and relatives en route.

Earl served as president of RCGS eight years, 1965-1972, and has been responsible since that time for maintaining the Index File of Family Charts for RCGS members. He also prepared many of the biographies in "Pioneers of the Bluestem Prairie."

Family Charts Missing

President Elaine Olney has asked me to check the extent to which Society members have completed and filed their family charts. A recent review of the charts on file and the membership list shows that only 30% of the members have filed their charts.

If this means YOU, please send your chart to the Society's Library soon. If you need forms, please send a request to the Library, 2224 Stone Post Road, Manhattan, KS 66502.

The remains arrived yesterday from the family home at Spring Hill, Kan, and the funeral services will take place this morning at 10 o'clock from the home of her son, Samuel F. Ridgeway, at No 309 South State street, near Monroe. Friends of the family are respectfully invited to attend.

The deceased was for years prior to leaving this county(about 10 years ago) well known by her old friends here and universally respected. She was one of the "salt of the earth" in pious predilections and had as fair a record as years of acceptable membership of the M.E.church; years rich with an experience which has been a beacon light to many a fellow traveler, could give to the faithful mother, the devoted wife the kind and thoughful neighbor. Mrs. Ridgeway's maiden name was Dawson. She was born in Bracken county, Ky., March 7 1825, and was the second daughter and third child of John and Cary Dawson one of the pioneers of Sangamon county, who came here when Mrs. Ridgeway was only about two years old. She was reared in Sangamon and became the wife of Lindsay Ridgeway, Dec 7,1841. None leaves a brighter record to emulate than she, who sleeps the cold sleep of death in the home of her oldest son. She leaves to mourn her loss and console the life companion who was no less her lover the day of her death, than when he first pledged to love and cherish her while life lasted, Samuel F. Ridgeway of this city, John D., Bertrand D. and Charles L. Ridgeway, of Spring Hill, Kansas. The family moved to Kansas some ten years ago, but Mrs.R's health has not been good for some months. Mrs. Ridgeway was well connected in this county and wherever known was respected as a model light in life. She had arrived at a good old age and ripe in the hope of the blessed, she passed away to the silent beyond with a name beloved by her household, honored by her neighbors,and with a hope based upon the promises of God.

From the Scrapbook of L.R. Elliott, Kansas State Historical Society

Binghampton, N.Y. November 1859 --

"The Manhattan Express. published at the junction of the Kansas and Blue Rivers in Riley county, says: Buffalo beef -- fresh, salted, dried and jerked -- is daily offered in our street at 5 and 6¢ per pound. Some of our citizens have just returned from a hunt and report having killed eight and the buffalo travel southward. Think of it, you eastern masticators of tough ox at a dime a pound -- one day's ride to an inexhaustible supply of flesh at the cost of a good shot and a 'heap of fun' and then talk of hard times and starvation on the frontier."

Photographer Featured Speaker at RCGS Meeting

Included were daguerrotypes, tintypes, and calling cards, and the vaious ways they were framed. He also discussed storage and care of photographs and the need for preserving negatives.

THE FIRST UNITED METHODIST CHURCH Leonardville, Riley County, Kansas

The source of this history is kept in the vault of The United Methodist Church inLeonardville, KS. The first historians wrote in beautiful skript. Later church officers neglected entirely the record keeping or were not as proficient as the first officers. Handwriting shows less emphasis on penmanship in the school curriculum of later years. A valuble century of history is available even though there are several unrecorded spans of time.

Small Methodist Episcopal Churches in the mid-and late nineteenth century in Kansas were organised in circuits served by one minister. Early the Leonardville area was a part of the Clay Center circuit. In 1871 Timber Creek Circuit, Manhattan District, Kansas Conference, was established and included the present Leonardville area and east to the Blue River. Through the years the Circuit changed from time to time and in a few years became known as the Leonardville Circuit.

March 1873 - March 1875 Brother G.A. Nicholson was pastor. The parsonage was located on Timber Creek. The pastor's salary was $400 of which he received $300. There were 51 members and two probationers. In 1874 Bro, Nicholson received $325 of his $400 salary. There were 50 members and 35 probationers

March 1875 Rev. Manoah Woolpert. Membership 85, probationers 70, Salary $450, received $287.

1900 Census Records Available by Summer

RCGS members who wrote requesting that restrictions on the 1900 census records be lifted received word from James B. Rhodes, Archivist of the U. S., that they were officially lifted on December 6, 1977. More than 700 letters had supported the request.

Both the 1900 census schedules and the Soundex indexes will be available for purchase. A catalog of the roll-by-roll breakdown of the 9,700 rolls of microfilm will be available in March.

Small orders will be processed after orders for entire states have been filled. Microfilm copies will cost $12 per roll, and the small orders for single rolls will be filled as early as possible, starting in late spring or early summer.

If you are interested in purchasing a roll for your personal and library use, contact the RCGS microfilm secretary, Ruby Williams, and she will coordinate the orders.

"Best Genealogical Library in a Barn" Adds New Equipment and 1850 Censuses

Do you realize how many really good friends we of RCGS have? Contributions of work, equipment, and books continue to pour into our library. Probably the most exciting gift is the 3m copier donated by Edith Thompson. This provides us with the luxury of being able to copy from books. Librarians will make copies for you for the cost of the paper - 15¢ per copy. Larry Wisdom got us a thermofax copier that will not copy from books, but will copy sheets of paper for 5¢ a page. Larry also got us a really good typewriter.

Robert Myers donated a microfilm reader. It needed a little fixing, but as usual, Earl Sitz came to our rescue and has it working fine. Now, we have two readers in the loft and two down stairs.

Earl Sitz has been busy building all those little "extras" for our library. He built a reading table for the loft, a table for the copier and microfilm reader, and a cabinet for atlases. He also made us some "dumby" books to remind us of books that are in other areas of the library.

Lamar and Fred Ratcliffe spent one whole day fixing up the wiring in the barn. Now we have plenty of electricity for our machines and can also conserve by turning off the loft lights when not in use.

Have you noticed that the books have been shifted with the addition of new stacks? Mildred Loeffler, Bonnie Lindblom, Alice Soldan, Laurene Pittman, Golda and Earl Sitz, Golda's sister and brother-in-law, and Evelyn Brown all helped on moving day.

Merry Pinick has been busy these days collecting the records of Havensville. Through her cooperation we have xeroxed the cemetery books of Havensville Cemetery. Alice Soldan has abstracted the court records of Havensville. Merry has also made arrangements for us to have a microfilm of the vital records of Pottawatomie County.

Be sure to check the list of new books and come to the library to study them. Notice all the 1850 census indexes - NY, IL, IN, MO, MD, just to name a few. A book you won't want to miss is called, SIXTEENTH CENSUS OF US. It is a big old book with an ugly blue cover - but oh, its contents will be used every day. For each state it lists all the towns and gives location by county - and has maps showing all the townships or census divisions of each state.

Wasn't the workshop fun and beneficial? The committee of Laurene Pittman, Agnes Elzinga, Evelyn Hanna, and Cissie Kurlander, along with the speaker, Helen King, all did a masterful job.

The RCGS thanks all of you. It is through your interest and continued help that we now have the best "genealogical library in a barn" in the whole country.

Elaine

RCGS Holds Spring Workshop

The Riley County Genealogical Society held a workshop and buffet at the Continental Restaurant in Manhattan on Saturday, April 29. Helen (Mrs. Glenn) King, instructor in genealogy classes in the Evening School at Washburn University in Topeka for eight years, was the speaker. Helen has been a member of RCGS since 1963, was a co-founder of the Topeka Genealogical Society, and is a native of Manhattan.

The morning session was on sources for research in the Kansas State Historical Society, Topeka. Helen stressed the fine collection in that library and told about the basic genealogical references, the newspaper file, the federal censuses and census indexes, and the genealogical and historical periodicals found there. The afternoon session was on research opportunities you may be missing in your own backyard such as the RCGS library, the LDS library, Farrel library - all of which have excellent sources for research. She also mentioned that the Draper Collection is on microfilm at Spencer Library in Lawrence and that Washburn University library in Topeka should also be used for those items which are unique in its collection.

Several members of the newly formed North Central Genealogical Society in Beloit were present and announced an Everton workshop which is to be held there. Four carloads of registrants from out of town visited the RCGS library after the workshop and were impressed with the facility and its materials and equipment.

Laurene Pittman was chairperson for the event which attracted some 75 people. Agnes Elzinga was in charge of registration. Door prizes were awarded and there was a display of genealogical materials brought by those attending.

John C. Soupene, Teacher, and 1870 Elbow School Roll of Pupils

Gwendolyn Paslay Booth

A very early school known as Number One or Elbow, was located in Blue township near now Lake Elbow.

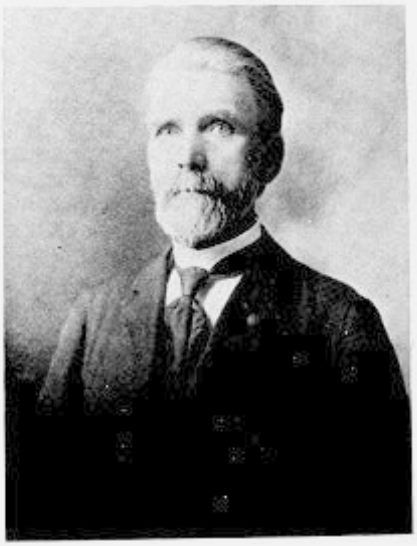

My great uncle John C. Soupene taught the school in 1870 and the school roll was among his papers. There were 73 pupils according to records and the school was a three months term. Schooling came when there was a lull in farming. Descendants of many of the names on the roll still live in surrounding areas.

The first community school - as opposed to a county school - was organized in 1863. John Louis Soupene was director, S.V. Lee was clerk and Malachi Glenn was treasurer.

The Kansas Legislature passed a consolidation law in March 1947 which organized all of Number One, 45% of Mt. Vernon, 45% of Wealch in to what is now known as Green Valley. Swamp Angel is included. The legal designation of Green Valley is District 118. Thus Number One, Swamp Angel, Mt Vernon and Green Valley were swallowed up in an uninteresting title

THOMAS DEVER

Thomas Dever, son of John & Jane (Carson) Dever, was born 22 Oct 1842 in Steubenville OH and died 11 Jun 1922 at Junction City KS. Burial was at Liberty Cemetery, Upland KS.

Thomas was the eldest of four children and the family moved to Sullivan Co IN prior to the Civil War. Thomas enlisted in Co. D, 8th Ill. Infantry on 10 Aug 1861 and was honorably discharged at Vicksburg MS 19 Aug 1864. He was wounded twice in battle and was pensioned on account of disability resulting from his wounds.

Also serving during the Civil War were all three of Thomas' brothers, as well as their father. Following his discharge, Thomas returned to his home and on 12 Mar 1865 in Sullivan Co IN he married Louisa Meek, dau of Samuel & Elizabeth (Botts) Meek. Louisa was born 17 Aug 1840 in Cochocton Co OH.

While living in Sullivan Co., three of their eight children were born: Mary Terresa b 27 Jan 1866, d 18 Feb 1951, m(1) Walter Jewett 6 Jan 1886 and, following his death, (2) Sylvanius Roberds 1903; John Morgan b 29 Aug 1887, d 1922; and William Andrew "Wig" b 19 Aug 1869, d July 1951.

In 1870 the Dever family was among a group of colonist families who traveled to KS from IN by wagon train and settled near what is now Upland in Fragrant Hill Twp, Dickinson Co. Thomas homesteaded the SW¼ Sec 18 Twp 11 Rg4E and was issued a patent for the same 20 Feb 1875.

There, the next four of their children were born: Elizabeth Jane "Libby" b 22 Jun 1871, d Nov 1877; Margaret Louisa b 20 Sep 1873, d 13 May 1929, m Harry Grant Mortimer; Nellie Sartoris b 12 May 1876, d 22 Feb 1970, m 3 Jan 1900 Charles Eugene Fisk, son of Pierre Jesse & Elizabeth (Fullerton) Fisk; and Della Josephine b 27 Jul 1879, d 19 Feb 1973, m W.E. Nix.

Their daughter Libby died before a cemetery had been established in that part of Dickinson Co., so Jesse Dever, a brother of Thomas and another of the colonists coming from IN to settle near Upland, set aside an acre of his farm for that purpose. Libby was the first person buried in the grounds located about a mile west of Upland now known as Liberty Cemetery.

One of the family's recollections about life on the prairie was the short hair cut given to Wig. As a small child, his hair was long, golden and curly. In the 1870's there were still numbers of Indians roaming the countryside of Dickinson Co., and as they stopped from time to time at the Dever home to seek food and drink, they expressed what Wig's parents considered to be an undue admiration for their young son with the long, golden hair and they feared that he might disappear along with their guests after an unexpected visit. As a result, Wig was given one of the shortest haircuts then known in that part of the county. Since Wig did not in fact disappear, it is assumed that the Indians took no further interest in him.

In 1880 the family resettled in Junction City. There, the last of their eight children was born: Anna Louella b 12 Jan 1881, d 11 Jan 1964, m Archie Abel 21 Jul 1902.

While living in Junction City, Thomas Dever practiced his profession as a surveyor and engineer.

Thomas and Louisa (Meek) Dever

He was a member of and was active in the Junction City G.A.R. Post. After he had attained age 40 and even though he had received only two years of formal education, he read law and on 8 Feb 1888 the State Supreme Court admitted him to practice law in the State of Kansas. He became one of the community's leading citizens, holding several county and municipal offices, including those of county engineer, city engineer and city attorney and he served Junction City as its mayor from April 1911 to April 1912.

Upon his death, Junction City honored him by a published resolution issued by its mayor and commissioners, by closing its municipal offices during the time of his funeral and by lowering to half mast the flags flying over its municipal buildings, presumably the first time that this latter honor had been accorded to a Junction City resident.

Thomas Dever was buried at Liberty Cemetery near Upland beside his wife, who preceded him in death on 9 Jan 1916, and their daughter Libby.

CHARLES EUGENE FISK

Charles and Nellie (Dever) Fisk

Charles Eugene Fisk was born 3 Jul 1875 in Chicago IL, the fourth of seven children of Pierre Jesse and Elizabeth (Fullerton) Fisk. He was the grandson of Jesse Bliss and Olive Amanda (Richards) Fisk and John and Elizabeth (Nichols) Fullerton.

Charlie received his education in Chicago and there learned the carpenter trade. In 1897 he enlisted in the U.S. Army to serve during the Spanish American War. He first lived in Kansas when he received military training in the Artillery Corps at Fort Riley.

While stationed at Fort Riley, Charlie met his future wife, Nellie Sartoris Dever, daughter of Thomas and Louisa (Meek) Dever and grand-daughter of John and Jane (Carson) Dever and of Samuel and Elizabeth (Botts) Meek. Nellie was born on her father's homestead in Fragrant Hill Township, near Upland, in Dickinson Co. KS on 12 May 1876 and moved with the Dever family to Junction City in 1880.

After completing his military training at Fort Riley, Charlie was transferred to and was stationed first in Cuba where he saw action in battles at Santiago, and then to the Philippine Islands where he participated in further battle action. After the war ended, he was honorably discharged from the army at Fort Riley on 22 Dec 1899.

Within two weeks after his discharge, on 3 Jan 1900, Charlie and his fiancee, Nellie, were married at the home of her parents in Junction City. Following their marriage, Charlie was employed as a carpenter for the Post Quartermaster at Fort Riley and the couple remained in Junction City for a time.

While living in Junction City, the first of their three children was born: Leonard Elon, b 22 Feb 1901, m Jessie Marie Stamper, daughter of James Harlan and Martha Ann (Jessee) Stamper, 20 Aug 1924, d 30 Apr 1954.

Later in 1901, the family moved to Chicago where Charlie was again employed as a carpenter and where the second of their children was born: Jennie LaRue, b 9 Apr 1902, m Arthur Gurner Jevons, son of Elijah Allan and Harriet Ann (Jones) Jevons, 4 Jun 1929.

The Fisk family returned to Junction City in 1902 where Charlie continued to practice his trade as a carpenter and where he began to contract for construction projects.

In Junction City their third child was born: Josephine Louella, b 3 Jun 1909, m 1) George Jelinek, son of Joseph and Ann (Bezemek) Jelinek, 1 Jan 1930, and 2) Charles Willard Fay 9 Jul 1936.

Charlie worked in the construction business for many years as foreman for the Ziegler and Dalton Construction Company.

During the early part of his career, Charlie was frequently called upon to work on large construction projects, many of them military, scattered across the country. When this occurred, Charlie would first go to the project site alone and establish a temporary home and the family would then follow him and remain with him until the project was completed. While maintaining its permanent home in Junction City, the family went to San Antonio TX in the fall of 1910; to Fort Ward, Bainbridge Island WA in the fall of 1911; to Fort Huachuca AZ in the fall of 1913; to Grand Island NE in 1915; and to Front Royal VA in 1916. Charlie and Nellie always believed that the experiences which their children had during their travels greatly enhanced the formal educations which they were receiving at Junction City and in their various temporary residences.

Although neither Charlie nor Nellie had received as much as a high school education, they encouraged their children to seek college educations. As it came time for the children to attend college, the family moved to Manhattan in 1920 and the two daughters made their home with their parents while they attended and in due course were awarded degrees from Kansas State College. The son attended the University of Kansas and the business college at Salina and graduated from the latter school.

Charlie retired from full time construction work in 1940 and he and Nellie returned to Junction City where they lived for the rest of their lives. Both Charlie and Nellie were active in veterans, patriotic, religious and civic organizations, the American Red Cross and various Masonic groups.

Charlie died 14 Sep 1950. At age 93, Nellie was one of Junction City's oldest remaining pioneers when she died on 22 Feb 1970. Both are buried at Liberty Cemetery, Upland KS near the homestead where Nellie was born.

Information on the Dever and Fisk families was submitted too late to be included in "Pioneers of the Bluestem Prairie." Both stories were sent by a great grandson of Mr. Dever and a grandson of Mr. Fisk -- Jack Owen Jevons, 1850 Folsom, No. 1008, Boulder, CO 80302.

BOOK REVIEWS

The Leverton Thomas Family of Pennsylvania and Descendants 1773-1977 by Katherine Mulanax.

This is an 8½ x 11 inch, spiral bound volume containing 229 pages of family history records, a pedigree chart, numerous biographical sketches, and well-documented histories of migrations of the family and of the parts of the country settled by them, with quotations from many of the published sources of her research.

Especially impressive to me are the family history charts and the interesting personal sketches which accompany them. Anyone researching a Thomas line should find this book fascinating and helpful.

Mrs. Mulanax is also the author of two previous books, The Schiller-Vallier and Related Families, 1974, and The Livengood and Related Families, 1976.

*****

Family Records of Lorin Wendell Lawson and Jessie Lou Marty; Ancestors and Descendants compiled by Jean Marty Lawson Bottger.

This book is in loose-leaf form, beautifully printed, replete with many photographs, maps, copies of documents and old letters, as well as genealogical charts and family group sheets. Unusual is an authentic chart of the uninterrupted ancestral Marti line as officially recorded in Matt, Canton of Glarus, Switzerland, dating from about 1577 through four centuries.

Mrs. Bottger states in her preface, "This is not a Lawson-Marty genealogy. It is not planned for sale or for libraries. It is a collection of family records." It is her hope and intent to add data as it becomes available, and even new sections. Certainly, her collection of family records and documents is impressive, and her work valuable to her family, and informative to searchers in these lines. It is thoroughly researched and interestingly written.

DEATH CLAIMS B.F.M'VEIGH

Expires at the Family Residence at Round Prairie after Lingering Illness-Decedent Occupied Prominent Station Among Farmers and Stock Raisers of County - Was Personal Friend of Lincoln.

McVeigh--Died at 4:30 p.m. Wednesday, June 1, 1904, at the family residence at Round Prairie, of stomach trouble, after a lingering illness, Benjamin F. McVeigh aged 78 years, 8 months, 28 days.

The funeral will be held at 2 o'clock tomorrow afternoon at the residence. Rev W. Francis Irwin, pastor of the Second Presbyterian church, will conduct the services. The interment will be made in the Rochester cemetery.

The decedent is survived by his wife; six children, Mrs. Mary E. Ridgeway of Whiting, Kas., Mrs. Helen L. James, residing near the old homestead, Mrs. Harriet W. Forden of Round Prairie, Albert H. of Macomb, Ill., Henry B., of Springfield and Franklin G., of Round Prairie, all of whom were present at the bedside when the end came.

Mr. McVeigh was born in Orange county, New York, where he grew to manhood. He came to Illinois in the autumn of 1847, since which time he had been a resident of Sangamon county. For the last forty-six years he resided on the farm where his death occurred. He married Miss Eleanor P. Bishop in 1851. Mr. McVeigh was one of the best known residents of the county. He was a member of the Second Presbyterian church of this city for fifty years, and was always active in church work.

Benjamin F. McVeigh occupied a prominent station among the farmers and stock raisers of the county with whose interests he had been identified for many years. While he continued to be an active farmer he rented out most of his land. When a boy he received but a limited education, having to walk three miles to school and being forced to attend to a number of duties on his father's farm.

At the death of his father he went to New York city to learn house painting, but after working a year and a half he found himself out of employment. In 1847 he arranged to come west. A friend paid his way to Buffalo and thence around the lakes to Chicago. He set out on foot for Springfield, having but $5 in money.

Reaching Ottawa the ferryman refused to take him across the river as he could not change the $5 gold piece. He swam the river The water was cold and Mr. McVeigh was ill for some time afterward as a consequence. He reached Springfield after having walked 210 miles. In the spring of 1858 he purchased a portion of the farm which he owned at the time of his death. He brought the land to a high state of productiveness and was recognized as one of the most successful farmers and stock raisers in the county.

Mr. McVeigh was a Republican and was a personal friend of Abraham Lincoln. He had been connected with the Masonic fraternity for thirty years. He was one of the earliest subscribers to The State Journal, having taken the paper continuously for fifty-four years.

Thomas Hooker, the first minister of Hartford; so jourourned a short time at Newton, Mass. and removed with him to Hartford, Conn. but he owned lands in Hartford as late as 1639 He probably went to Saybrook soom after that and his dau was married there early in 1652. No information has been obtained as to the name of his wife or when or where she died. From the age of the son when he died (40) he must have been born in 1636. The dau was probably born in England, the date of her birth or her age at the time of her death in 1703 have not been ascertained.

The name of William Hyde first appears at Hartford, Conn. in 1636. His name is on the monument in the old cemetery at that place as one of the original settlers and he had lands assigned to him there.

Norwich, Conn. was settled in 1660. Among the thirty-five proprietors of that town were the Rev James Fitch, the first minister of that place, William Hyde and his son Samuel Hyde and his son-in-law John Post. William Hyde was a man of some importance among the settlers of Norwich and was frequently elected as one of the townsmen or selectmen. He died at Norwich January 6th 1681.

Samuel Hyde and his wife came to Norwich in 1660. Their oldest dau Elizabeth, born in August of that year, was the first white child born in Norwich. He was a farmer and had lands assigned to his at Norwich West Farms, where he died in 1677 at the age of 40.
The children of Samuel Hyde were: Samuel, John, William, Thomas, Jabez, Elizabeth, Phebe and Sarah.

3. Samuel Hyde, born at Norwich,Conn. in May 1665,the eldest son of Samuel Hyde and Jane Lee. He married December 10th 1690 Elizabeth Calkins. Samuel Hyde is described in an early entry in the Norwich records as being in Windham. But he removed from there to Lebanon, where he died November 6th 1742.

The children of Samuel Hyde and Elizabeth Calkins were:
Samuel, Daniel, Elijah, Caleb, David, Ebenezer, Sarah, Elizabeth, Lydia and Anne.

4. Captain Daniel Hyde, born at Windham, Conn, August 16th,1694 was the second son of Samuel Hyde and Elizabeth Calkins. He married Abigail Wattles. They settled at Norwich West Farms, where he was a distinguished and active member of the church. He died December 26th, 1770.

His children by her were: Daniel and Benjamin (twins) born March 1st, 1756 at Lebanon, Zerviah (girl). After the death of his first wife Walter Hyde married Sarah Wattles. He was Captain of a company of volunteers in the army of the Revolution and died at Greenwich in the City of New York September 18th, 1776, his only child by her was Sarah, born at Lebanon.

Junction City Cemetery Records

Luke Smith, 703 West Ash, Junction City, KS 66441, is the sexton of Highland Cemetery, the main cemetery in Junction City. He has excellent records that many times give parents names of those buried there. He will check records for a specific person, if you include a stamped addressed envelope.

Clay County Research

The County Clerk in Clay Center has some very valuable records. The application for marriage license in their office gives age, birth place, parent's names (including maiden name of mother) for everyone married between 1885-1910. There is no index in that office, but there is an index in the District Court office where marriages (license only) begin earlier - about 1870.

Calling All Researchers

Will you help to make a complete file of family charts in our library? E. H. Teagarden, ancestral chart recorder, has made a listed of members who have not filed hcarts. It is posted in the RCGS library for you to check. If you are out-of-town, send a SASE with your request and we will check it.

Remember, your chart is helpful to other members who are searching, searching, searching!

Happy Birthday, RCGS Library

Happy Birthday RCGS Library in Goodnow Barn! You are now one big year old and growing fast. There have been a few days when you were too cool, and a few when you were too warm, but 99 % of the time you have provided a great atmosphere for studying those elusive ancestors. A special thank you should be extended to your adopted parents - those dependable volunteer librarians who give you their loving care.

The RCGS Library is now open on Monday evenings from 7 to 9. Jack Byars, Larry Wisdom, and Helene Schmitz are the new librarians.

Peggy and Joe Ward provided the big fan for the loft, a most welcome contribution. Henrietta Darby has again given generously to our society. She has given us Earl's ditto machine and supplies. This gives us a way of producing less expensive census and other RCGS forms.

Have you been to the library lately to see all the new books? We now have all the available 1850 census indexes. These are a great aid to finding that elusive ancestor, but be sure you check all possible spellings of the name you are searching. We also have new vertical family group sheets designed by Laurene Pittman. They are very attractive and you may want them instead of the old ones. There is also a new form which provides a place to record all census records from 1790 to 1900 on one form.

Many members have been hard at work this summer preserving our area records and making them available for researchers. Evelyn Brown is copying and alphabetizing the 1895 Riley County census. Merrie Pinick has been busy copying the marriage records and abstracting the land records of Pottawatomie County. Alice Soldan is typing this material. These marriage records start in 1857 and include a surprising number of people.

Earl and Golda Sitz, Mildred Loeffler, Alice Soldan and Elaine Olney spent a most enjoyable day copying Bellegarde and St. Wenceslaus Cemeteries. Bellegarde is in north east Riley County - the cemetery to which the old Bellegarde and Dial-Wilder graves in Pottawatomie County were moved. St. Wenceslaus is the Catholic Czechoslovakian Cemetery just over the county line in Marshall County. The only cemeteries we do not have complete records of in Riley County are Sunset and Sunrise in Manhattan. Shall we make this a fall project for RCGS?

We have many requests for back issues of Kansan Kin and we are completely out of some issues. If you have no use for your back issues, please consider donating them to RCGS.

Let me know your ideas for progress!

2,839 Visits to "The Barn"

RCGS Library in Goodnow Barn had 2,839 visits in its first year of operation, People came from 22 states and from 46 towns and cities in Kansas.

Visitors have enjoyed seeing the loft, reached by a circular staircase. The four microfilm readers, the two duplicators, and countless new books are in continual use.

During the past year, Ruby Williams and her assistants have ordered -- and returned -- 418 microfilms. Of these, 62 were for Ohio research, 45 for Kentucky, and 39 for Missouri.

Other states widely researched were Illinois, Indiana, New York, Pennsylvania, and North Carolina. The library owns a number of Kansas microfilms, as well as printed census records for Kansas counties.

Volunteers for the scheduled hours on the five days the RCGS library is open are interested in helping anyone working to climb his/her "family tree."

They emphasize that it is not necessary to have your roots in Kansas to find your lost great grandpa in "The Barn."

Neighborhood Notes of the Sixties

From D.F. Shaw, 1405 North Ash, Guthrie, OK: "Many thanks for the free hours research of the 1880 census. All the Harrises listed were relatives of my father as were John and Frances Booth. The Butterworths may have been parents of Jane Butterworth, a school teacher, and may have been listed in the Riley Co. census. . .Enclosed is a copy of Neighborhood Notes of the 60's. It is a copy of two typed pages that my grandfather Shaw had."

Dick (Faro) Pharo and Tom Cowharn just blew in from New Mexico and reports have a hard time getting through the bands of Indians and large hers of buffalo.

We understand that a man by the name of McIntire has settled on a small creek north of Manhattan and being the first settler they named the creek for him. A family named Whiteside also came near the head of the creek.

Pat (Shota) Chaudét and Simon Cockrell are also building camins on their claim on the creek.

Samuel Dier, who runs the Gov. Pontoon bridge at Junita, was up on the creek killing a few deer for his large family the other day.

We understand that a family named Wilhite also one named Eph Adkins have squatted on adjoining claims and are commencing to farm.

Our settlement is extending. They have named a creek just north of Carnahan creek after a family og that name from Pennsylvania. Mr. Carnahan has a number of grown sons which will quite an asset to a new country.

We understand there is a petition out to form a school district in our parts. It will be No.2 as they have formed one at Devis's Elbow.

We understand that 2 English families are living on the same homestead on another branch of this creek. A Mr. Brooks and a Mr. Booth, brother-in-laws, and are having trouble about who owns the

HENRY TREZISE -- HONOR TREMBATH

Honor Trembath

Henry Trezise

Henry Trezise was born 2 Feb 1829 in Penzance, England and died 28 Apr 1920. In 1851 in England he was married to Honor Trembath who was born 10 Aug 1824 in St. Just, England and died 9 Sep 1904. Both are buried in Adrain Cemetery, Jackson Co KS.

Henry's work in England was in the tin mines. Since these miners were shortlived, he decided to come to America ca 1854 and worked in the copper mines in Michigan. Honor remained in England with their sons, Henry and James, until ca 1862 when they also came to America. Children born in Ishpeming MI were Honor Jane, William, Selena and Anna Sophia.

About 1865-7, Henry came to St. Marys KS and built a home 13 miles northeast of that town. The family came to KS in 1871 staying the first night with a neighbor and walking the next day thru the blue-stem grasses so tall that the little ones were almost lost.

Honor was a true Kansas pioneer. About 1877, their first home burned. She had kept her precious things packed in a trunk and threw it out the window. In the trunk were two beautiful shawls, her hand-made wedding dress of iridescent satin and lined, the wedding shirt she had made for Henry, a coverlet she had made of wool, doing her own carding and weaving. Also in the trunk was the corset that she wore to America with her money sewed inside for safe-keeping. These things are all preserved by her granddaughters, including a coin dated 1844 and made into a necklace for a grand-daughter.

Honor was a mid-wife and she had the ability to turn a child that was not being born naturally. She delivered many babies in KS, walking thru the prairie grasses, returning each day to care for the mother and new baby. She delivered all her grands except one.

Hard times came upon the family including grasshoppers, drought and prairie fires. Henry, Henry Jr. and James went to Colorado and worked for some time in the gold mines there. William was left to help manage the farm and head the family.

There were no fences on the prairie and cattle had to have a herdsman while they wandered. Honor and the children surrounded the 160 acre farm with Osage Orange (hedge) trees and hoed them until they were on their own. A few of these are still growing in 1978.

While Henry worked in the mines in MI, Honor ran a boarding and rooming house for the miners there. She took three days off for the birth of each of her four American born children. Henry became a naturalized American citizen and was very proud of his citizenship. At that time, all of his family became citizens with him, not as individuals.

After the death of his wife Honor in 1904, he returned to England for a visit. Everything was changed and he remained but a few days. He met his future wife, Bess, on the ship back to America. They were married 22 years and her sister, Olive May, came to KS and later married Henry Trezise Jr. Bess is buried in the St. Clere cemetery in Emmett Twonship, Pottawatomie County. Olive returned to her daughter's in New York and is buried there.

Henry Trezise Sr. was active in the Adrain Community in Jackson Co KS. He was a Republican and never missed voting. At first the children walked about four miles to school, then a school three miles away was built. He helped organize and was treasurer of the Adrain school, one half mile from their home.

To his first 160 acre farm he added 280 acres and helped each of his children when they all became farmers. None of the Henry Trezise Sr. descendants remain in Jackson County. One great-granddaughter and the writer of this biography live in Pottawatomie County, which joins Jackson County on the west.

HENRY CLIFTON KING -- ELMIRA HENRIETTA FLICK

Henry and Elmira (Flick) King

Henry Clifton King, son of James and Nancy (Clifton) King and grandson of Sherman King and Henry Clifton, was born 22 Nov 1849 in DuPage Co IL and died 5 Dec 192[illegible] at Topeka KS with burial in Mount Hope Cemetery there.

Henry descended from the Suffolk Co, Long Island NY branch of this large family. The family came from England in 1635, first to MA, and then the branch headed by Samuel to NY.

Henry returned to Long Island from IL in 1855 with his parents. He returned to IL as a youth, and after working there for some time, he enlisted in the army at Rock Island arsenal on 20 Mar 1867. He was in the medical department there and was discharged on 20 Mar 1870. He then started to Kansas.

While enroute, Henry met his future bride at Mt. Ayr, Ringgold Co, IA. Elmira Henrietta "Ella" Flick, dau of William H and Eliza (Nulph) Flick and gr-dau of John Flick and George Nulph, was born 31 May 1854 in Texas (Now Oakland) Armstrong Co PA and died 24 Jun 1928 at Fostoria KS with burial in Mount Hope Cemetery in Topeka KS. Elmira's family had moved to IA from PA.

Henry proceeded to Junction City, where he applied for, and was granted, a homestead at May Day, Riley County KS on 1 May 1870. On 13 May 1871 Henry and Elmira were married in Manhattan with the Rev. P. H. Foote as minister. According to homestead documents, his first home consisted of a small house, barn and chicken house. In 1878 they moved to Fostoria in Pottawatomie Co KS. Henry worked on the L K & W Railroad out of Fostoria west as construction boss until he acquired an 800 acre ranch 2½ miles southwest of Fostoria. A cemetery is still located on this land now referred to as the King Cemetery.

Besides owning land in Riley and Pottawatomie counties, he also owned land in Logan and Chase counties, and was developing his citrus fruit ranch near McAllen TX prior to his death. When he became ill, he went to Topeka KS to be attended by his son, Dr. Albert, who practiced several years in Topeka before going to Montana.

Henry and Elmira were active Protestants. Henry was said to have read the Bible completely three times.

Their children were: Clara "Nettie" b 1872 May Day, d 14 Sep 1918 Topeka, m 1891 Fostoria, Dr. C. R. NEW BOOK ON SNOWDEN-RENDLE FAMILIES

"Henry and Ann (Snowden) Rendle and Their Descendants" compiled by Genna Rundle Nelson, June 1978, is an 8½ x 11 inch, 75 page book containing the story of the twelve children of Henry and Ann (Snowden) Rendle and their families.

Henry Rendle was born at Stokenham Parish, Devon, England about 1821. As a city lad out of work, he left home and found employment on a farm. Here he met and married Ann Snowden, daughter of the farm overseer, John Snowden and Sarah (Murch) Snowden.

Of their twelve children, three sons, William, John and Henry, and much later two daughters, Sarah and Ellen, came to America and Kansas. It is with the families of these five children that this history deals mainly, as Mrs. Nelson states that little information about the seven who remained in England is available.

Mrs. Nelson explains that these are not all documented records, so are not to be used as proof of lineage, but as a guide for researchers.

The book is well organized, has numerous photographs, and contains information as recent as June 1978. It should be a valuable aid to searchers of this line, and to those interested in the history of Clay county where the families settled and many remained.

The book may be purchased for $10.00 from Mrs. Floyd A. Nelson, 2019 5th St., Clay Center, KS 67432

To RCGS:

I have found some precious old photographs in my mother's things that I believe would be of great value to relatives of the persons pictured.

Apparently they were photographs taken when the individuals were students at KSAC as were my mother and father, and I would be most happy to give them to descendants who could verify their connection.

The photographs are as follows:

Tenth District of 1855 Kansas Census

The Tenth District of Kansas in 1855 included the eastern part of Riley County and the western part of Pottawatomie County. It was described as, "commencing at the mouth of Vermillion river; thence up the same, beyond the house of Josiah D. Adams; thence due west to the Independence migrant road; thence up the middle of said road to the line of the ninth district; thence by the same to the head of Wild Cat creek, and down said creek to the Kansas river; thence down said river to the place of beginning." The district was divided into two voting precincts. The Blue River Precinct was at the house of S.D. Dyer, on Blue river with Joseph W. Russell, Marshal A. Garrett, Joseph Stewart as judges. The Rock Creek precinct voted at the house of Robert Wilson, on Rock creek, with Francis Bergerow, Henry Bammelt, James Wilson as judges.

This information was copied from the microfilm of the original census at the Kansas State Historical Society by Elaine Olney. Columns included were occupation, age, emmigrated from, U.S. native, naturalized, and declarants. All that is included in the following listing is age, occupation, and where emigrated from.

place. And now Mr. Brooks has moved his house over to another place on McIntire creek and so they have named the creek Booth creek.

Uncle Jonnie Ormston and his big family of step sons have made many improvements to say that tis hardly 2 years since the Indians owned the land.

Old man Bales and his son, Tom, drove in last night with 2 yoke of cattle loaded with Buffalo hind quarters killed about 20 miles west of here.

Barney Oranagan is building a stone chimney for Uncle Sam Carnahan. Barny seems to be at home laying stone.

Pat Foley dropped in here from Cork, Ireland, and is also making his home at the Carnahan place.

Jim Higgins and Billy Wilhite came back from the River with a nice bunch of cat fish which they giged last night and they traded 4 fish to Aunt Patsy Adkins for smoking tobacco.

Jim Higgins is building a log cabin just below Wilhites. He's going to break prairie for Wilhite. His dady in law, Old man Bales, will help him.

'Tis reported that a man named Legore has bot out the McIntire homestead and is moving on. Mc wants to live closer to the Indians.

John and Enoch Dyer were in our neighborhood the other day swapping horses with old man Whiteside.

Jim Shehi and Jim Shannon were down to get some blacksmithing done at the new Brooks blacksmith shop. 20 miles is a long way to take blacksmithing.

Another wedding, J. George Storms and Mary Hall, an orphan girl, were married on Wednesday, the 16th. They will live on the John Ormston place close to the new grave yard.

John Frazer and Sam Legore are making rails for John Booth.

Lawyer Burns has been hired to teach the Adkins school for treen months at $15 per month. There will be about 35 scholars.

Golden Wilhite was thrown from a horse the other day and was unconscious for several hours.

Eph and Aunt Patsy thing they are loosing their daughters very fast as Nick Welter married Nancy and Jim Price got the next and then Newt Maybe married Mollie before the old folks could get their breath and now its rather quiet around the Adkins home.

Hosie Springer and Sam Lemon passed through driving a few yoke of steers to Fort Riley.

Johnnie McCan, just over from Dublin, is building a lots of stone fence for Old man Ormston. Johnnie is little but he can roll the rock.

Mordica Cockrell has killed several deer and 4 turkey last week besides catching several Beaver and Coons. The Blue river is fast settling up north of here.

Tom Price , Frank Mansfield, Bob Thompson, Fred Bighart, Thomas Shaw, Geo. Jameson, Dave, Pete, Vic and Jno Johnson have all settled here lately. Geo Jameson was bit by a ratler while picking seed corn and died from the effect, leaving a wife and large family of children.

Old Indian Smith is camped again by the Brooks spring. He, like the wild Geese, comes every fall and the Brooks have got so they look for him.

Thomas Shaw and family have moved in the school house on Dry Creek while they build a house on their new farm.

MORE GIFTS, MORE PROJECTS FOR RCGS

Thank you to all you super members of RCGS who have worked so hard these past two years to make our society strong and our library the best anywhere. The executive committee and librarians have been the very best, giving 200% effort. It has been such fun to see what we have accomplished, and everyone should be very proud. Thank you especially to each member of the 1977 and 1978 executive committee.

Our shelves are laden with new books. Dorothy Thummel has donated her collection of genealogical books, consisting mostly of Tennessee and Missouri material. Henry Besler has donated the genealogical collection of his mother, Amy Besler. It consists mostly of New England material and family histories. We thank you, Dorothy and Henry.

As you know, it is part of our purpose to copy and preserve the records of our area. The gigantic job of copying the records of Manhattan's Sunset Cemetery is now under way. Laurene Pittman, Alice Soldan, Wanda Booz, Mary Roberts, and myself have been typing like mad. We can use more typists, and soon we will need proof readers, and next spring, tombstone readers. We want to do a complete job, including both the sexton's records and the inscriptions.

A history of the Rock Creek (Flush, Pleasant Run, Myers Valley) area of Pottawatomie County, KS is being prepared. It will consist of all newspaper items dealing with the area from the old Pottawatomie County newspapers. The oldest items are from the 1850's, and it is complete through 1878, with 1879 nearly finished. Pat Hook is doing the compilation assisted by Janet Bosomworth.

Naomi Johnson reponded to our call for a vacuum cleaner for the barn. We could still use a desk lamp for the atlas cabinet. Again, Earl Sitz has come to the rescue and fixed the microfilm reader.

The Polly Ogden Chapter of DAR is presenting us with a big surprise! They are donating a stepping stone walk to the barn. No more wet feet from tramping through the wet grass. This winter we will all be giving a big vote of appreciation to our local DAR chapter.

Everyone, all 386 of you, are doing your part. Now let's get busy and help each other find all those elusive ancestors!

Elaine

1895 Riley County Census Index Completed

Indexing of the 1895 Riley County KS census has been completed by an RCGS member, Evelyn J. Brown. The tabulations have been duplicated in an 130 page book which is available for $13.50.

The index is cross-indexed and contains over 13,000 names. Information recorded in the listing is page number, town or township, name, age, sex, color, state where born, where from to Kansas, occupation and Civil War Record. The 1895 census is an agricultural census but information relative to that is not listed in this index.

The book is dedicated in memory of Earl Darby, a former RCGS member who indexed all earlier Riley County censuses. Ms. Brown stated, "After indexing this census I am much more aware of the tremendous contribution which Earl made by the countless hours spent on the previous censuses. I was also made more aware of the importance of checking the original for possible errors for often the writing is illegible or undecipherable and honest mistakes can be made in interpretation. Special thanks goes to Golda Sitz who duplicated the pages for the book."

The volume is 8½ x 11, is glue-bound in a heavy cover. Orders may be sent to the Society at 2224 Stone Post Road, Manhattan KS 66502. Checks should be made to RCGS. If the book is to be mailed an additional $1.50 should be enclosed. Kansas residents should add 47¢ tax.

BESLER BOOKS AND RECORDS TO RCGS

Mrs. Henry J. Besler's many books on family history and her research records have been given to the RCGS by her son, Henry Besler, The society is very grateful for this most generous gift. Members continue to miss Mrs. Besler and think of her kindly.

Winifred Amy (Silliman) Besler, daughter of Hiram Emory Silliman and Agnes Elizabeth Hall, was born 18 March 1885 in Winfield, KS, and died 23 Dec 1973 at Manhattan, KS.

Mrs. Besler was active in many community organizations; was a member of the Baptist Church, Review Club, Entre Nous Club, DAR and DAC; an accomplished organist; and family researcher.

Mrs. Besler had thirty four ancestors proven through DAC with some twelve or fourteen ready to send to the national office at the time of her death.

Wesley Chapel (Methodist), May Day, Riley County

There are no records of Wesley Chapel to be found in either the East or West Methodist Conference Historical Society Librarys at Baker University or Southwestern College, where deposit could be expected. The Riley County Historical Society and State Historical Library have no records, nor have they been found in the hands of a neighboring church or individual. Two ministers who collect records of closed churches were unable to help.

Mrs. Paul Larson of Clay Center has the "Official Quarterly Conference Record - The Methodist Church" for Wesley Chapel 1944-1949. This is the only official record available but does give the last five years of some of the records. Only church officers, committee members, Pastor's reports and business are included.

For information we have relied on the memories of some of the former Wesley Chapel members and others as follows: Winifred Ann Arnold Bergsten (Mrs. Raymond), Sonie Liebler (Mrs. Alan J.), and Margherita Sparman (Mrs. Albert) of Manhattan, Mr. & Mrs. Paul Larson and Miss Charlotte Mutschler, of Clay Center, Stella Sparman Schroer (Mrs. Frank) of rural Randolph, Dean Henneberg and Lucile Mize (Mrs. Theodore) of Belvue and Jay N. Cook of Wamego. "Riley County Kansas" by Winifred N. Slagg former curator, Riley County Historical Society.

Those who formed the membership of the Wesley Chapel first met in the Marine school house located three miles north and 1½ miles west of the May Day cross road or about three miles NW of the future Chapel site.

The group was organised by four men: Adam White (grandfather of Winifred Bergsten) and Wm. Brethour, cousins, who came from Ontario in 1868. These men homesteaded across the road from each other. White returned to Ontario for his bride Ann Bacon. They were married in January 1870 and returned to May Day. John A. Reece, (Uncle of T.H. Arnold) and William Miller completed the group of four.

The group built their new church "Wesley Chapel" one mile north and one half mile west of the cross road in 1880.

Some of the early church members remembered are as follows: William and Caroline Brethour, Walter & Emma Droll, Sam,Leslie,Stella, Clara, Lola & Raymond Brethour. John and Adilene Reece, Sam, Chas., Ella, Minnie, etc. William and Jessie Miller, Guy, Claude, Ernest & Ivy. Adam and Ann Bacon White, Daughter Ada, her husband T.H. Arnold, their daughter Winifred Arnold Bergsten. Thomas and Nancy Lemar, William, Dave, Nate, Lou, Bell and Kate. Joshua and Maria Bacon, Ann White, Henry Rettie, William, & Adeline. Maynard and Lucretia Mays, Anna, Alta, Ivan, Flossie & Thomas. Fred and Martha Sparman, Albert,Caroline, Louis, Lottie, Laura & Stella. Mr. & Mrs. Cye Blogett. Claude and Laura Norris. (brother & sister Mr. and Mrs. Bert Van Sickle, Marie, Carl & Leon. Mrs. Slagg,(Riley County Kansas pp 246) states that "The Wesley Chapel was organized in 1878 and celebrated it s fiftieth anniversary in 1928. Early ministers remembered are: Homer Wroten, Frank Ryrson and T.E. Johnston.

The available records indicate the last five years were a struggle,as reported by officers and the Pastor.

The WSCS was the only auxiliary organization in the congregation. The women took care of aid to the sick and needy as well as the usual courtesies. In 1944 they purchased fifty new song books for the church, earned money by serving farm sales and

sponsored an anual community supper and a guest day for women of the community.

In 1945 the Pastor reported: Seven new members received by confession of faith. "Two babies and four children baptised, one member lost by death and one by transfer. "The totalpresent membership is 41."

"The Pastor and two helpers conducted vacation Bible School. Fifteen were enrolled. Six had perfect attendance.

The Pastor called in most of the homes, making about twenty-five calls. A discouraging note - Many Sundays Church services were impossible due to muddy roads. Interest and attendance were good when services were possible.

The Pastor's report for Aug. 21, 1947 states that weather had a great deal to do with holding Church Services. This was another wet year.

Vacation Bible School had an enrollment of 24. The WSCS gave a picnic supper featuring home made ice cream and cake to honor the students and their parents.

On children's day, the infant son of Mr. & Mrs. Harold Larson was baptized by the Pastor.

The Pastor sent "postals" to the membership and constituency, also schedules of the dates and time for each service.

In 1948 the WSCS attempted quarterly community get togethers to interest others in church membership.

In the minutes of the fourth quarterly conference, Sept. 15, 1948 we find the group decided to close the church for regular services for at least one year. (The records of the First Methodist Church of Leonardville show that Mrs. Ada Dickson asked to be relieved of the May Day charge in 1948.) "A second decision was made to continue "as is" until the first quarterly conference. "Plans were made to continue services until January 1, 1949." "A motion was made that Wesley Chapel WSCS continue at least for another year even if other services are not held regularly."

At the first quarterly conference 1948 - 49 December 19, 1948 at Leonardville, Dr. Gordon, district superintendant: "The matter of continuing the church at Wesley Chapel was discussed. "Dr. Gordon made the suggestion that the Church close it s doors until next conference time, June first for Church and Sunday School and that the WSCS maintain the Church as a living organization. That would give the people a chance to see the community without an active Church. Contacts to be maintained with Leonardville.

"A motion was made that Wesley Chapel discontinue regular Church and SS. services until conference June 1st. (Women's Society to remain active.) Trustees responsible and Church open to meetings under supervision of the Pastoral committee. Motion seconded, voted on - carried. "Dr. Gordon closed with prayer."

"The Wesley Chapel Official Board met at McMillans on Jan. 5, 1949 to complete the business of the Church. It was voted to pay the outstanding bills from funds in the treasuries.

"The Plate collection treas. was to pay $15, the SS treas. $75, and the Women's Society $82, to take care of all bills in full. It was also agreed to ask the SS. treas. to order a doz. quarterlies for individual use in the homes.

Wesley Chapel, May Day

"The money remaining in treasuries was to be left there until further action was taken by those in authority."

The last funeral service held at Wesley Chapel was for Albert Sparman on 14 March 1950.

Mrs. Sparman remembers that one last gathering and service was held in June 1950.

There are no records available but at some time the Belvue Methodist congregation paid $5 to the Conference for the Wesley Chapel building. Dean Henneberg, Theodore Mize Jr. both of Belvue and Jay N. Cook of Wamego were members of a group of twelve men who went to May Day to dismantle Wesley Chapel and move the usable materials to Belvue for building a Sunday School wing on their Church. The windows were included in the materials taken. The colored glass was recut and used in the upper sections of the Belvue sanctuary windows. The etched glass doors between the Wesley Chapel sanctuary and Sunday School room are now used in the south entry of the Belvue Church.

The twelve Belvue men stayed with the Emil H. Oberhelman family west of the Chapel and slept in the wash house, for the twelve days it took for their work in late May and early Juneof 1955. Jay Cook was called home during the time to attend the birth of a son. Bob Oberhelman now of Riley helped the Belvue group the entire working time.

May Day residents report that the twelve men cleared the site completely leaving only the church steps to mark the location. Those steps remain today in the pasture that once was the Church yard.

After the decision to close the church was made, members gathered and selected items they wanted as mementos. The dishes are said by some to have gone to the Leonardville church, some this not.

Winifred A. Bergsten checked with Warren Ford Sr. of the Leonardville bank and found that the "opera chairs" from the Wesley Chapel sanctuary are in the Leonardville First Methodist Church basement. Since the union of the Leonardville Churches this building is called "The Corner Stone" and is the "Youth center" for the Leonardville community.

Evangelical United Brethren Church

May Day, Riley County, Kansas

Continued from page 61

Leona (Moon) Dugan writes in a history of the Evangelical United Brethren Church of Green, KS. (no dates given. Green refers to the circut of several churches.) "Existing records show that services were being held by this church (May Day) "at the Star School house (1½ mi. west of the May Day cross road) as long ago as May 1874. Reverend Euphrates Shepherd was the minister."

"In the summer of 1876 the Annual Kansas Conference was held in Byarlay's grove, on Fancy Creek, South of the May Day Cemetery."

"Soon thereafter the United Brethren in Christ Church was built at May Day, KS. It was located on the west side of the cemetery, (1 mi. west of the cross road) and the parsonage was one fourth mile north of the Star School house, on the west side of the road." "Later a parsonage was built a short distance west of the Church."

The above information was furnished by Ina Turner Gray of the Methodist West Conference Historical Society Library, Southwestern College, Winfield, KS.

Paul Larson who grew up at May Day says the Church was closed while he was a small boy. Mrs. Winifred A. Bergsten and the auther estimate and others agree that this church closed ca. 1910-15.

The church building was purchased by Will Auchard whose farm surrounded it, cut in half, moved a distance to the Northwest, rejoined to make a hay barn. The farm is now owned by Niel Richter. His son Scott showed us the "hay barn" from a distant hill on the original Adam White land, and told us it was easy to see the joining of the two parts,
