LIBRARY HOURS

Tuesday, Thursday, Saturday 10:00-4:00
Wednesday 1:00-4:00, 7:00-9:00
Sunday 2:00-5:00

CLOSED: Easter, Jul 4, Sun before Labor Day, Thanksgiving (Wed & Thurs), Christmas (Dec 24-25), New Year's Day. In inclement weather, it is a good idea to call the library to be sure it is open.

MEMBERSHIP

Anyone interested in preserving family and community records is invited to become a member. Dues are $15.00 per calendar year per family unit. Members receive the current year's issues of Kansas Kin. Genealogists are on hand each Tuesday and Thursday morning to help with genealogical problems. Free classes are held periodically. An hour's free research is provided for out-of-town members. Members can buy books approved by the Acquisitions Committee as gifts to the Society, which will pay one-half their cost.

PROGRAM MEETINGS

See Dates to Remember. Meetings are held from 7 to 9 pm in the Manhattan Public Library (MPL) unless otherwise announced.

TAX EXEMPT GIFTS

All donations to RCGS may be deductible on federal income tax returns. The IRS has ruled the Society a tax exempt educational and scientific organization within the meaning of Section 501 (c)(3) of the Internal Revenue code of 1954.

MEMORIAL GIFTS

All monies donated in memory of a deceased member or non-member will be handled by the person on the Library Staff in charge of memorials. The deceased's family will be notified that the donation has been received by RCGS. After receipt, unless it is designated by the donor for a specific purpose, the Board will act within 90 days on how the money should be used.

The President Presents

Three years ago little did I dream I would still be expected to write this article. I'm hoping during this year of 1996 someone will step forward and agree to provide new leadership for our society in 1997. We do have several new leaders for this year: Lurye Emig, publicity; Richard Cook, grounds and building; Jill Frese, workshop chairman again; Pat Gormely, computer interest group; and board officers - Al Strafuss, vice-president, and Nancy Roth, corresponding secretary.

We want to thank for their services these retiring persons: Pauline Norby, recording secretary since 1988, Orville Bidwell, publicity, and librarians, Mildred Loeffler and Pauline Streeter.

An organization this size, which functions entirely by volunteers is almost unheard of today. To keep up its services we need a continuing list of volunteers, willing to fill the vacancies as they are sure to develop. So few members indicated their choice of services on the membership forms, I'm asking everyone who forgot to give this information to please drop us a note or telephone 565-6495. At present we are in need of several librarians and people willing to serve on the "building" committee.

It has been suggested the society hold some of their membership public meetings in the afternoon rather than all at night. Several of our members cannot get out at night. Do you have some thoughts on this suggestion? We need more members. Invite your friends to join!

Due to the serious illness of Roy and Mary Page's daughter, he is unable to fulfill his responsibilities as KansasKin editor for this issue. Our capable Evelyn Brown has taken on this task. We pray for God's grace with the Page family and many, many thanks for Evelyn's efforts.

Cecil Eyestone

CONGRATULATIONS, RETIREES!

Congratulations to Mildred Loeffler and Pauline Streeter who retired from their duties as librarians at RCGS.

Mildred became a member in 1976 after moving here from Michigan and was made a librarian immediately. She was president of RCGS for three years during which term the move was made from the Goodnow barn to the present location.

She was faithful in her Sunday afternoon assignment as librarian for over 15 years and was instrumental in inventorying the collection for cataloging. Always generous, she donated a card catalog, desk chair, a number of periodical subscriptions and other things.

Mildred also served the society well by being involved in the Kansas Council of Genealogical Societies. She was secretary from 1982 to 1984, district representative from 1985 to 1993 and has served as audit committee chairman from 1990 to the present.

Mildred still serves on the Library Coordinating Committee. Her professional manner and expertise were and are a definite advantage to the society.

Pauline Streeter is a 30-year member of RCGS and has served the society in some capacity most of those years. In the 1970s she gave assistance to new members and in the 1980s served several terms as genealogist - answering queries by mail and in person.

Pauline helped with many of the annual workshops, gave programs at the regular meetings of RCGS and led special interest group classes for the society. Most recently she has served as a librarian/genealogist on Tuesday mornings. She is a member of DAR.

We thank both women for their many years of service to the society.

An August Day in 1837

Names found in the *Independent Chronicle & Boston Patriot*

Saturday, August 12, 1837

Compiled by John C. Davies

In mid-September of this year, I was shown two fragile, dog-eared and yellowed copies of the *Independent Chronicle & Boston Patriot*, dated August 12, 1837, and March 24, 1838. In an ongoing program to ease the problem of shrinking space in our library, the Library Coordinating Committee prunes less-useful items from the shelves and drawers. These two newspapers, while quite interesting to read and no doubt containing names useful to genealogical researchers, were considered candidates to be donated to some organization which might like them, perhaps a museum or library in the Boston area. I thought it might be worth screening these first, and have prepared an index of names found in these newspapers.

Each of the four pages of the *IC&BP* is larger (17 3/4 by 24 1/2 inches) than those found in today's papers--the pages of today's *Manhattan Mercury* are about 14 by 22 1/2 inches. The six columns on each page are jam-packed with text, particularly since the type size is noticably smaller than we're used to.

The editor of the newspaper was Nathan Hale, perhaps related to the Revolutionary hero hanged by the British in 1776. Published each Wednesday and Saturday, the paper cost "four dollars per annum," payable in advance.

The 1837 issue devotes one column to list, for each community and county in the state, the Massachussets State Census enumeration of population, number of Representatives and "portions of Representatives" to which each is entitled. Another column mentions, as reprinted from the *"Philadelphia Gaz.,"* the preparation for the October elections, and "cause for...great unanimity of feeling on the part of the Whigs for prompt, vigorous and concerted action." As one might expect, there's much information on shipping; many named are ship's masters, whether in the "Marine Journal," in the advertisements, or in news accounts. A limited number of names are found in the marriage and death lists. Two news accounts from St. Louis tell of the explosion of the steamboat Chariton on July 28th; from Louisville comes word of the exploits of the balloon flight of "the intrepid aeronaut, Clayton."

I've found no record of how the Society obtained these papers, but at the top of the first page of each issue is inked, "B. Cowing."

Following is the index for the names found in the 1837 issue. Names marked with an asterisk are those of ship masters; "M" indicates a bride or groom, "D" the deceased. Each name is followed by the page and column number(s) in which it is found.

GENEALOGICAL CLASSES OFFERED

Several classes in genealogy are being formed at the RCGS library. Members of RCGS may attend the classes without charge. Non-members pay a fee of $3.00 payable at the first session. Dr. J. Harvey Littrell is instructor. Each class is limited to twelve members. Sign-up sheets may be found in the library.

"Getting Started in Genealogical Research" is designed to help individuals learn (1) how to locate and use sources for genealogical research (other than the computer) and (2) methods of organizing the genealogical materials they collect for efficient use. This class meets for two sessions of two hours each at 7:00 pm on Mondays March 4 and 11.

"Evidence, Sources, Proof" is based on the premise that a good family history is based on proof which is established through the collection, organization, and evaluation of evidence found in reliable sources. The purpose of the class is to help members to fulfill this premise in their own genealogical research. This class meets Monday, April 1, 7pm at the RCGS library.

SAVE BEST CHOICE LABELS

We continue to save Best Choice brand food UPC codes. For each 1,000 collected, we receive $30 from Associated Wholesale Grocers. Bring them to the library and place them in the marked can on the librarian's desk or mail them. All we need is the bar code like this sample. The numbers beneath are important, so try not to clip them off. Thanks for your help!

HIGHLAND CEMETERY

The first annual election by lot owners will take place in the Presbyterian church next Thursday evening the 13th. Five bodies have been removed to Highland: the first was that of Mr. Wallahan, a son-in-law of Mr. Biggs, who died last Thanksgiving Day and was buried by the Odd Fellows. A stone wall is being constructed around the cemetery grounds.

BURGOYNE SIBLINGS IN EARLY MANHATTAN

- Research by Evelyn J. Brown

At least five Burgoyne siblings came to Manhattan Kansas from Massachusetts in the late 1850s or early 1860s. If they came together to Boston from England it was in 1848. They were born in England of parents who were born in England:

1. Mary b ca 1827
2. Anna b Oct 1829
3. Jane b Sep 1830
4. George b Oct 1834
5. William b May 1837

1. **MARY BURGOYNE** married James Miller. In 1850 they were living in Ward 10, Boston MA with George and Ann Burgoyne and Isadol Petchner. Two other families were living in that household - the Millikens from Maine and the Chuffs from New Hampshire. James Miller was born in England ca 1826 and is listed as an Anatomical Mechanician. Evidently James died in Massachusetts for Mary came to Manhattan before 1860 as a widow with two daughters, Ann Elizabeth/Lizzie A and Isabelle.

Mary was a milliner. On 18 Oct 1860 she married (2) the widower Moses Johnson Gove. Rev. N. O. Preston of St. Paul's Episcopal Church performed the ceremony in Manhattan. In April 1861 Mary gave birth to Frederick William Gove. She died 8 Jun 1861 at age 36 and Frederick died 4 Jul 1861,age four months. Both are buried in Sunset Cemetery, Manhattan. Gove was a butcher/cattle broker/stock dealer who died in 1874.

Mary's daughter Ann Elizabeth Miller was born in Massachusetts in 1850. She married the Rev. Daniel W. Cox in Manhattan on 2 Apr 1872 by Bishop Thomas H. Vail.

Mary's daughter Isabelle "Belle" Miller was born 20 Jul 1852 in Massachusetts. In 1880 she was a milliner in Alma, Wabaunsee Co KS living in the household of the police judge A. W. Gregory. Belle married William H. Oyler 7 Sep 1881 in Manhattan by Rev. J. H. Lee. Oyler was from Kansas City MO, both were 27. Their son Willie T. was born 27 Jun 1883 and died 23 Oct 1884. He is buried in Sunset Cemetery.

After Oyler's death, Belle returned to Manhattan where she had a millinery business. Around 1894 she married (2) Rev. Wm. Campbell (1829-1904), a widower who had been a Presbyterian pastor in Manhattan. For a year they lived in Clay Center where he had a pastorate. He was mayor of Manhattan in 1891 and 1897. He died 14 Jul 1904 in Manhattan. Belle Miller Oyler Campbell died alone at her home at 413 Pierre on 15 Feb 1936 at age 83. She and Rev. Campbell are buried in Sunset Cemetery.

2. **ANNA BURGOYNE** came to Manhattan from Boston by 1859 with her husband Julius Peschner/Petchner/Pechner who was born in Poland in 1823. Their children: Mary E "Lizzie" b Jun 1857 MA and G Lewelyn/Llewellyn G b Apr 1861 KS.

On 20 Aug 1863 ten miles from Manhattan on the Wild Cat and during an altercation, Leslie Pritner struck Julius Pechner on the head with a pitchfork handle, inflicting an injury that caused Pechner's death the ensuing night. A post mortem examination by Drs. J. H. Phelps and E. L. Pattee found Pechner came to his death by the blow. Pritner was found guilty of manslaughter in the third degree but a light punishment was recommended (21 Sep 1863 case in court).

Anna and her children were living with her bachelor brother George in 1865 but by 1870 they were in their own household where she was a seamstress.

Anna died 2 Aug 1907 at her home in Topeka. The remains were returned to Manhattan and funeral services were held at the Presbyterian Church with Rev. Cleveland of the Third Presbyterian Church of Topeka conducting. Anna and Julius Pechner are buried in Sunset Cemetery.

Anna's daughter Lizzie Pechner married John S. Griffing and in 1900 was living in Tecumseh Twp., Shawnee Co KS with her

mother, her husband and children: Bernice J. b Dec 1885 KS; Lewellen G. b Jun 1889 KS; and Burgoyne b Apr 1896 KS.

Anna's son Lewellen/Louis? Pechner is living at 1514 E 4th in Topeka in 1900 and is listed as a clerk, married 17 years to Lettia who was born in Dec 1860 in Ohio. She had no children.

3. **JANE BURGOYNE** was in Manhattan by 1860 and is a seamstress in the household of her widowed sister Mary Miller. In 1865 and 1870 she is in her brother-in-law's (M. J. Gove) household after Mary had married Gove and died. In 1880 Jane is living with her brother George in Manhattan. They had moved to Highland Ave., Highlands Twp., San Bernardino CA by 1900 and were still residing there in 1910. Evidently Jane died before 1920.

4. **GEORGE BURGOYNE** came to America in 1848 and to Manhattan KS in 1856/7 from Massachusetts. In Boston in 1850 he is an Apprentice Anatomical Mechanician. In 1859 he is an ambrotypist and by 1860 was also a saloonkeeper living with F. J. Cole, a ferryman.

George entered the Kansas Militia in 1861 and was discharged in the fall of 1862. In 1863 he opened a saloon over the Independent printing office.

On 5 Sep 1865 he married the widow Jane Hibbard. Her previous husband was the attorney Julius E. Hibbard who died 17 Jun 1864 in Manhattan at age 37. Jane's children by Hibbard were Russell, Alice and Frank. Alice married O. R. Baldwin of Springborough PA on 10 Mar 1880 in Manhattan by Rev. James H. Lee. Frank Hibbard was born ca 1856 in IL and was living in Wabaunsee Twp., Wabaunsee Co. KS in 1865 and 1870 with the Lewis Gregory family. On 13 Aug 1870 Gregory was appointed his guardian. In 1880 he is living in Alma with his wife Mary (23) and daughter Jane (1/2).

George Burgoyne and Jane Hibbard Burgoyne had a daughter Georgiania born 17 Aug 1868. She died of diphtheria on 17 May 1876. Jane Burgoyne was born ca 1834 in NY and died after a long and painful illness on 23 Aug 1876. Both are buried in Sunset Cemetery.

George Burgoyne's occupation was photographer from 1859 on. His photographic gallery was on the upper story of Dr. Jefferson Robinson's drug store at 306A Poyntz Ave.It was a stone building with a brick front and measured 60' by 25'. It was reported that George was a "natural artist" and that he was "eminently deserving of his success in establishing one of the best photograph galleries in the West."

George was elected Register in 1866 and was secretary of Lafayette Lodge Festival in Dec 1866. In 1880 he was living with his sister Jane in Manhattan. They had moved to San Bernardino CA by 1900. By 1920 he was living with his step-daughter Mrs. O. R. Baldwin in Detroit MI where he died 19 Apr 1923 at age 88. He is buried in Sunset Cemetery.

5. **WILLIAM BURGOYNE** came to Manhattan from Massachusetts probably with his brother George. He was a farmer and a registered voter and a taxpayer in 1859. He served in the Kansas 6th Cavalry.

William married Augusta J. Mead 3 Feb 1867 in Manhattan by Rev. James H. Lee. She was born Apr 1845 in New York.

William became a wood and coal dealer. In 1871 he had horses &/or mules entered in the Blue and Kansas Valley Agriculture Fair. From 1872-1879 he was the County Clerk and was County Treasurer in 1885. In 1881 he was Worshipful Master of Lafayette Lodge No. 16, A.F.&A.M.

William and Augusta had at least four children: Willie d ae 10m, 21/27 days, bur Sunset Cem: Edward Mead b Jul 1870; Mary Miller b Nov 1873, attending Prep Girl's school taught by Mrs. Simeon M. Fox in the fall of 1889 in Manhattan; and George F. b May 1877. The family was living at 921 12th Street in Los Angeles CA by 1900 and still there in 1910. William probably died in California.

Book Reviews .....

If you need some help planning your trip to the Family History Library in Salt Lake City Utah, such as how to prepare for research, what you should take, what is available and how to find your way around the library, you may want to read "Research in Salt Lake City" by Nancy Ellen Carlberg. It was copyrighted in 1987 and contains 257 pages. This book is available at the Riley County Genealogical Library (026 Carlb).

One of the most helpful pieces of information that I got from the book was "Research Books First". The Family History Library has thousands of books that are available for research that are not on microfilm or microfiche.

There are a lot of good suggestions and information in the book but there are some things that are obsolete, and there are a lot of guides and resource material that are not mentioned.

The important part of this preparation is that you do go, relax and enjoy yourself as you do your family research. Once you are in the library there are many volunteers who are more than willing to help you.

LIBRARY HOURS

Tuesday, Thursday, Saturday	10:00-4:00
Wednesday	1:00-4:00, 7:00-9:00
Sunday	2:00-5:00

CLOSED: Easter, July 4, Sunday before Labor Day, Thanksgiving (Wed. & Thurs.), Christmas (Dec. 24-25), New Year's Day. In inclement weather, it is a good idea to call the library to be sure it is open.

MEMBERSHIP

Anyone interested in preserving family and community records is invited to become a member. Dues are $15.00 per calendar year per family unit. Members receive the current year's issues of Kansas Kin. Genealogists are on hand each Tuesday and Thursday morning to help with genealogical problems. Free classes are held periodically. An hour's free research is provided for out-of-town members. Members can buy books approved by the Acquisitions Committee as gifts to the Society, which will pay one-half their cost.

PROGRAM MEETINGS

See Dates to Remember. Meetings are held from 7 to 9 pm in the Manhattan Public Library (MPL) unless otherwise announced.

TAX EXEMPT GIFTS

All donations to RCGS may be deductible on federal income tax returns. The IRS has ruled the Society a tax exempt educational and scientific organization within the meaning of Section 501 (c)(3) of the Internal Revenue code of 1954.

MEMORIAL GIFTS

All monies donated in memory of a deceased member or non-member will be handled by the person on the Library Staff in charge of memorials. The deceased's family will be notified that the donation has been received by RCGS. After receipt, unless it is designated by the donor for a specific purpose, the Board will act within 90 days on how the money should be used.

The President Presents

Since the computer interest group has their program in place, it's time to work on other needs of the library. For several years, we have recognized the need of better maintenance of our building and it's now time we must do something about it. While I have been concerned about roofs, painting, and ceiling repair; one professional recommends work be done around the foundation to direct water away from the building rather than toward it. To do all the maintenance needed it will take more resources than the amount in our "building fund". All suggestions or contributions are welcomed.

We have been informed by the Historic Preservation Office in Topeka, an addition might be added to the rear of the Platt House. However, we would have to employee an architect to consult with them in finding a workable solution to the addition. This will also take additional resources.

Would you volunteer to serve on a building committee to help bring these changes about?

Thanks to Vickie Denasfon of Westmoreland for trimming the weeping mulberry tree.

Cecil Eyestone

ANCESTORS TV SERIES OVERVIEW

(This was taken by Patrick Gormely from the Internet. It originated from station KBYU, Provo, Utah. To save space I have omitted a few redundant phrases. An earlier version is described on p. 38. It is striking how the emphasis on minorities has increased, how the series has become more "politically correct," or acquired "diversity," as it has evolved, possibly in order to attract government funding. The series could be entitled "Roots II: Salvation Through Genealogy." It may be guilty of overselling its product.)

The Ancestors 10 part television series is scheduled for national release on PBS in January of 1997. The series is an introduction to genealogy and family history. The series focuses on the impact that connecting with our ancestors has on individuals and families. Powerful stories of people who have made the connection to their ancestors are followed by practical instruction on how to begin this journey of a lifetime.

Episode One: Getting Started. Victor Villasenor grew up alienated and ashamed as a Mexican-American in Southern California. He felt disconnected, not American nor Mexican. He started to look to his past for answers and in his journey became whole. The episode dispels common misconceptions about genealogy and family history and introduces the pedigree chart as one of the most important tools. . .

Episode Two: Looking At Home. An empty house in Yoncalia, Washington held silent clues for divorcee Shannon Applegate who was looking for missing pieces to her life. In this ancestral home she found a pioneer heritage that gave her renewed strength and understanding about herself. What to look for at home, and how to organize these bits and pieces of your past is explored..

Episode Three: Gathering Family Stories. A recent immigrant to the United States, Fabiana Chiu had mixed feelings about her Chinese-Peruvian heritage. Wanting to know more, Fabiana traveled with her parents to Peru to interview living relatives. In her journey, she discovered traditions and links to her Chinese heritage that she was never aware of. Our expert ... will focus on how the novice can successfully interview and document living relatives.

Episode Four: The Paper Trail. Rafael Guber shares with many Americans the knowledge that his family first came to America through Ellis Island. Rafael's respect for this event in his ancestor's lives compelled him to recreate the Ellis Island experience with 100 descendants of immigrants in period clothing....Our experts share the different types of records that are found....

Episode Five: Libraries. Tom Madrid found records of his Hispanic heritage dating back hundreds of years in the United States by starting at his local library in Colorado. Our hosts will tour the Family History Library in Salt Lake City....They will introduce you to the different places to find genealcgical records,...including city, state and national repositories....

Episode Six: Military And Census Records. Gary Bryant was in the Army during the Vietnam War. Instead of feeling patriotic towards his service, he felt removed, depressed, and ashamed of his service to his country. Through family history he discovers 27 ancestors who served their country in battle. As he learned of their sacrifices to serve, his image of country and self were forever changed....Census and military records will be explained....

Episode Seven: African American Families. An unlikely bed of genealogical activity is found in South Central L.A. Collette De Verge and the members of the Southern California Genealogical Association share what family history and genealogy meant to them. This episode focuses on the distinct challenge in researching African American records. Our expert ... will dispel myths about African American records....

Episode Eight: Your Medical Heritage. Carol Krause never imagined that her family history would save her life. Because Carol created a family medical pedigree documenting her ancestor's health, she was able to save her life and the lives of her sisters with the knowledge she found.

Episode Nine: High Tech Help. Hardened criminals and genealogy? We take you inside a prison to meet inmates who do genealogy with the help of computers and microfiche....

Episode Ten: Leaving A Legacy tells the stories of three different legacies left by families in our country. The More family has held reunions every five years since 1889. What is different about this family is that since 1915 they have preserved each family reunion on film. The inspiring legacy that Talula Bottoms left for her family in quilts is a quiet testament to her humility. Finally, jazz musician Hannibal Peterson, who finds the lost grave of his slave ancestor, celebrates the discovery with his family in a musical tribute of dance and African ritual at the ancestral grave.

CLAY COUNTY, KANSAS, 1875 CENSUS, CHAPMAN TOWNSHIP

(submitted by Tom Branigar, Abilene)

Chapman twp lies in the SW corner of Clay co, KS. It was originally much larger than it is today. In 1875 it included the area now covered by Chapman, Athelstane and Oakland twps. The 1875 state census of Chapman twp is difficult to use. The enumerator, Peter Van Scoyoc, did not have very good handwriting and in most cases he just listed a person's first initial rather than the full given name. To assist genealogists, the names in the 1875 census were copied, along with the age, sex and birthplace of each person. This listing was checked against various sources at the Riley Co Genealogical Society, including an alphabetical transcript of the 1880 census of Clay co and listings of the tombstones in the Clay co rural cemeteries. This enabled most of the families to be fully identified. A few families were also found in records of Dickinson co (DKCO), KS, at the DKCO Historical Society in Abilene. This article contains the information abstracted from the 1875 census. To this is added the full name and additional information found in other sources.

EVERY NAME INDEX - *ALIDA ST. JOHN'S CHURCH 1875-1918 - GEARY COUNTY, KANSAS.*
The historical compilation of the births, baptisms, marriages and deaths from the records of this church was prepared by Don and Leona Garrison and donated in February 1994 to the Riley County Genealogical Society. Subsequently, an every-name index was prepared and donated by John C. Davies, and is offered for the use of readers of *Kansas Kin*. Examination of this index shows the variety of abbreviations and spellings used for both Christian names and surnames.

ANCESTORS TV SERIES
EARLY VERSION

(A portion of a letter from Sterling Van Wagenen, Executive Producer, asking for funding, in FGS FORUM, Fall 1995, vol 7, no 1, p 10)

Episode One is an overview of what the series will deliver. The episode dispels common misconceptions about genealogy and defines the pedigree chart as one of the most important tools that you use in searching for ancestors.

Episode Two helps you to understand how to get started at home: what to look for and how to put these bits and pieces of our past on a family group record or pedigree chart. Interesting stories of what people have found will round out this episode.

Episode Three will focus on how you can successfully interview and document the stories of living relatives. One family's experience will show you how fun and easy this important step can be.

Episode Four explains how the records we find are related to life events. The episode will illustrate the difference between compiled and original records and their importance in research. Tips on important strategies are made clear in our case study.

Episode Five looks at some repositories in the United States where you can find genealogical records after you've exhausted resources at home.

Episode Six will explore three major American record groups: census, military and passenger lists. Interesting tips and stories of ethnic-related migration patterns will be given.

Episode Seven focuses on two groups in American history: Afro-Americans and Native Americans.

Episode Eight will find us in the world of medicine and the fascinating and important information that you can find in your genetic genealogy.

Episode Nine will take you into the world of technology and show you how computers and the Internet, or information highway, can make searching more fun and exciting than it has ever been before!

Episode Ten will help you realize the impact that leaving a legacy can have on your life and the lives of those to come. Tips on how to hold successful family reunions, publish family histories and share what you have learned with others are given.

Editor's Notes .....

Our daughter's illness up to her death in March compelled us to be in San Antonio, Texas. We are deeply indebted to Evelyn Brown for editing the November and February issues. Because of contributions by Tom Branigar and John Davies, we have enough articles for the August and November issues, although we strongly encourage articles by others, as well as short fillers. As we plan to leave town on or before July 20, the deadline for material for the August issue will be July 10.

LIBRARY HOURS

Tuesday, Thursday, Saturday	10:00-4:00
Wednesday	1:00-4:00, 7:00-9:00
Sunday	2:00-5:00

CLOSED: Easter, July 4, Sunday before Labor Day, Thanksgiving (Wed. & Thurs.), Christmas (Dec. 24-25), New Year's Day. In inclement weather, it is a good idea to call the library to be sure it is open.

MEMBERSHIP

Anyone interested in preserving family and community records is invited to become a member. Dues are $15.00 per calendar year per family unit. Members receive the current year's issues of Kansas Kin. Genealogists are on hand each Tuesday and Thursday morning to help with genealogical problems. Free classes are held periodically. An hour's free research is provided for out-of-town members. Members can buy books approved by the Acquisitions Committee as gifts to the Society, which will pay one-half their cost.

PROGRAM MEETINGS

See Dates to Remember. Meetings are held from 7 to 9 pm in the Manhattan Public Library (MPL) unless otherwise announced.

TAX EXEMPT GIFTS

All donations to RCGS may be deductible on federal income tax returns. The IRS has ruled the Society a tax exempt educational and scientific organization within the meaning of Section 501 (c)(3) of the Internal Revenue code of 1954.

MEMORIAL GIFTS

All monies donated in memory of a deceased member or non-member will be handled by the person on the Library Staff in charge of memorials. The deceased's family will be notified that the donation has been received by RCGS. After receipt, unless it is designated by the donor for a specific purpose, the Board will act within 90 days on how the money should be used.

The President Presents

How about a Genealogical Cruise? We have received word of a seven-day cruise to the Eastern Caribbean, to St. Maarten, St. Thomas, and Nassau along with research classes taught by Dr. George Sweitzer, William Dollarhide, Raeone Steuart, and Bradley W. Steauart. The ms WESTERDAM (Holland-America line) sails from Ft. Lauderdale, FL, on Saturday, January 4, 1997. Would you be interested in forming a group from RCGS to take part? There are special discounts for groups over fifteen persons. Contact Cecil or Phyllis Eyestone, 2055 Jay Court, Manhattan KS 66502 for more details.

Permission has been granted by the State Historical Preservation Office for us to build an addition to the south or rear of the Platt House (our library). Now we need the approval of the County Commissioners and an extension of our lease, approval of the city, and the FUNDS. Gene Ernst, retired KSU architecture professor, has developed plans for this addition. If we receive all the approvals necessary you will probably hear from us in regard to financing this project.

Joan Page has agreed to serve as vice-president for the remainder of the year, since Al Strafuss has moved to Lawrence. Now if we could find someone to serve as building and grounds leader, we would have the board back to full strength. We thank the families of Alice Soldan and Rosamary Finney for choosing the RCGS as a memorial for their loved ones.

We now have new roofs on the front and back porches of the Platt House. Perhaps the next Kansas Kin can report additional maintenance work accomplished.

Cecil

ANNOUNCEMENTS

1. BUS TRIP--RCGS will sponsor a bus trip to research at the Midcontinent Public Library, Independence, MO, August 19 & 20th. Call the library for more information and plan to join us.

2. STEP LADDER NEEDED--RCGS needs a step ladder. If you have one that is no longer needed, please call one of the board members.

3. LOST & FOUND--Next time you visit our library, take a look in the Lost & Found box. We have collected items left in our copier, a photo or two, scraps of notes. They may be just what you've been hunting for.

4. INDEXES--The Computer Interest Group volunteers have generated indexes for 10 Riley County books. These will save precious time when using these materials for research. Thanks to all who have contributed in some way.

Computer Interest Group of the RCGS

During Spring 1996 a number of additional services became available through the CIG computer at the RCGS Library. We have increased our holdings of CDs containing indexes to various U.S. censuses, and marriage records. (These are indexes to the records, not the records themselves, but they provide information about where to obtain the record, and which page on the microfilm contains the record.) We now have available on the CIG computer demonstration versions of some popular genealogy programs for personal computers, so that patrons can see how the various programs work: how name, date, and place information is entered, how data sources are cited, and the type of genealogy reports that can be generated.

The major improvement during Spring 1996 was connecting our CIG computer via telephone modem to the Internet. By connecting to the World Wide Web (WWW) part of the Internet, we are able to do a number of things. We can demonstrate to library patrons some of the genealogy resources that are available on the WWW by actually "searching" one or more of the databases. Here are three examples. We can search the Roots-L Surname List (which contains 100,000+ surnames actively being researched and the names and addresses of the 6000+ researchers). It takes just a few seconds to determine if a particular surname is being researched, and who is doing the research. This can put one in contact with a previously unknown distant cousin doing research on the same family. Telephone directories for many countries are now available on the WWW, and can be searched in seconds. One can, for example, quickly identify persons with a given surname living today in the ancestral village in France. The WWW enables one to search quickly the Index to the 1871 Ontario Census, available until recently only in about 30 volumes.

In its early stages now, but expanding very quickly, is the publication on the WWW by genealogists of their personal homepages containing their genealogy research in the form of ahnentafel tables, charts, and other information. What will certainly develop in the very near future will be convenient ways of searching these thousands of WWW Homepages to allow distant cousins to learn of each other's research.

An upcoming CIG project is to put the RCGS on the WWW by creating RCGS Homepages. This will make available to anyone anywhere in the world with Internet access information about the RCGS, its publications, and any other information we choose to make available. Some CIG volunteers have been creating computerized indexes to various local genealogical materials and this promises to be the first of many RCGS contributions to the computer-age genealogical community.

The next time you are at the RCGS Library please let a CIG computer assistant show you how a computer can help you in your research.

Recommendations to Fellow Society Members

The First Recommendation

In 1991 after several years of doing genealogical research, I decided that I should have a review of the procedures I had been using, and in addition I felt that I was surely missing some procedures that a good genealogist should be using. With these thoughts in mind I enrolled in the home study course sponsored by the National Genealogical Society. The course is entitled *American Genealogy: A Basic Course.*

I have never regretted that decision, and I recommend the course highly to my fellow Riley County Genealogy Society members. The course consists of sixteen lessons which you can complete at your own pace. The lessons cover the traditional topics in genealogy--records, sources of information and their use, and finally interpretation and evaluating evidence. For each lesson there are exercises to complete and open book tests. If you think you are proficient now, you will soon discover that there is still much to learn. In the Introduction to the course the following statements are made: "The Student is warned about the many pitfalls which await the unwary researcher.. The glossaries explain terms that may previously have been unfamiliar, and the bibliographies provide a wide range of reading matter to enable the researcher to pursue his studies further." Incidentally, I discovered that most of the references they have listed are available in Riley County Genealogical Society Library. I will say, however, that I suggest beginners do a little work in the genealogy library and courthouse before they enroll. The lessons will be more meaningful if the learner has some background experience.

The Second Recommendation

Five years after I passed the Basic Course I decided to go to Samford University at Birmingham, Alabama, and enroll in the Institute of Genealogy and Historical Research that is sponsored by the Certification Committee of the National Genealogical Society. The Institute has been held for thirty-two summers. I regret that I waited so long before I made the decision to go. The Institute offers several different courses, but I enrolled in Advanced Methodology. The course was designed to show Problem Solving Techniques in Government Documents, Census Records, Ship Passenger Lists, Common Law, Tax Rolls, Military and Pension Records, Paleography, Land Records, and Analyzing Evidence. Because the Basic Course was a prerequisite for the course, there was no repetition of how to use the records in an elementary fashion, but how to use them for problem solving. I recommend highly that you attend this Institute and take one of their courses. For information about the courses write to Samford University, IGHR, Harwell G. Davis Library, 800 Lakeshore Drive, Birmingham, Al 35229.

The instructors for the course I took were outstanding genealogists, and they knew how to teach. In addition, I met many good genealogists in my class, some of whom were Certified Genealogists. As a result of my experience I came away with a desire to review all my previous work to see if I could use some of my new techniques for solving some of my unsolved problems.

Don't worry that you are too old--I am certain that I was the oldest one in my class by at least fifteen years, and I got along just fine. (Incidentally, there are no tests, so you don't have worry about failing!!)

I hope that I have aroused interest in these two recommendations, and that some colleagues will eventually follow them.

FAMILY HISTORY/GENEALOGY AWARDS

The Kansas Council of Genealogical Societies will sponsor Family History/Genealogy Awards at their 1997 Annual Conference. One of the objectives of the KCGS is to encourage the preservation of manuscripts and books relating to the people of Kansas and to deposit them in suitable libraries.

Through the Family History/Genealogy Awards program, the KCGS wishes to promote the printing of family histories and genealogies, preserve the history of Kansas families, and to make this information available at the Kansas State Historical Society Library and Archives. The Awards Committee wishes to encourage a quality of work that will be appreciated by our peers today and our descendants tomorrow.

The Family History/Genealogy Awards categories and prizes are listed below.

I. FAMILY HISTORY PUBLICATIONS
- *A. Family History - A Scholarly Composition
- *B. Family History - A Book for Family Members

SOCIETY WINS TWO AWARDS

(Manhattan Mercury, June 11, 1996, p A2)

The Riley County Genealogical Society received two awards at the Kansas Council of Genealogical Societies' 21st annual state conference held in Wichita Friday and Saturday. The society won awards for best innovative idea, which went to the Computer Interest Group for its efforts in raising funds to place a computer in the local library at 2005 Claflin Road.

The other award was for best workshop, which was held last October. Jill Freese and Teresa Straub were chairpersons of that event and were cited in the award certificate.

LIVESTOCK BRAND RECORDS OF DICKINSON COUNTY, KANSAS, 1870-1934

(submitted by Tom Branigar, Abilene)

From earliest times special marks and brands have been used on livestock to indicate their ownership. In many cases the marks & brands have been registered with local authorities to prevent anyone else from using an identical symbol. In the U.S. this registration has usually been the responsibility of the county clerks. The brand records of Riley co, KS, abstracted by Evelyn J. Brown, were published in the May 1993 issue of Kansas Kin. This article abstracts the brand records of Dickinson co, KS (DKCO). The registrations, which cover the years 1870 to 1934, were recorded by the county clerk in a volume labeled "Brand Record, Volume A." The book contains 476 pages, although only pages 2-12 were used for brands. The rest of the book is blank except for pages 200-217 which contain 18 medical certificates recorded by physicians who practiced in DKCO during 1879 and 1880. The book is now in the archives of the DKCO Historical Society. Since most of the early records of DKCO were destroyed in a courthouse fire, the earlier entries are of particular importance in documenting the lives of the pioneers of DKCO. Additional information for some of the early settlers is given from the holdings of the DKCO Historical Society.

WORLD WAR II DRAFT REGISTRATION RECORDS

(submitted by Tom Branigar, Abilene)

This article contains abstracts of World War II draft registration records at the Central Plains Branch of the National Archives in Kansas City, MO. The records are in the form of index cards containing information on men born between 28 Apr 1877 and 16 Feb 1897 who registered for the draft on 27 Apr 1942. There are almost 200,000 cards for Kansas, filed in one alphabetical sequence. During a recent visit to the Archives cards for the letter J were searched for residents of Riley and surrounding counties. Data copied include name, residence, and date & place of birth. The abstracts, arranged by county of residence and thereunder alphabetically, are given below. A more detailed description of the records, and abstracts for other portions of the alphabet have appeared in previous issues of Kansas Kin.

THE KANSAS SAVANTS

(some hilarity from the Topeka Weekly Commonwealth, October 17, 1872)

MANHATTAN, Oct. 11th, 1872.

Special Correspondence of the Commonwealth

The Kansas Academy of Science held its fifth annual meeting at Manhattan beginning Tuesday evening October 8th. The upward train on the Kansas Pacific railroad on that calendar day bore quite a number of the leading scientific men of the state, whose hands seemed to be full of maps and books and specimens. On arriving at Manhattan, carriages seemed to be waiting for the train, attended by quite a number of the prominent men of that New England town, who received the visitors in the most hearty manner, and drove off with them quietly to their residences, where good things were waiting for their reception.

As evening approached a very large congregation gathered in the Congregational church to hear Gen. Fraser, the president of the society, deliver the annual address. The hour arrived but no lecturer. Indeed three lecturers had been engaged, but every one was absent. The choir was also smashed and could not sing, some of the members being absent. Still the people kept coming until every available seat was occupied and then the new comers either had to stand or go away. Still no lecturer.

About eight o'clock the audience began to get impatient and determined to have *something*. Prof. D. H. Robinson, of Lawrence, at length consented to read a paper on the peculiarities of the Cherokee language.The paper was rather technical in its nature, not being prepared for a popular address....Among other things he hit off the Indian character. While showing that the tribe had very abstract notions of things, he said that this trait of character extended even to their abstracting the horses of white men....

Col. Tweeddale then was called out and read a paper on ventilation....The choir having arrived, the audience was refreshed by some delightful music. When Manhattan "goes in" on music she does a nice thing. The audience having had enough Cherokee, and having "ventilated," quietly dispersed until morning.

It has been softly whispered about Manhattan since the delegates arrived that there is a wedding in prospect in high life that has some connection with the absence of the lecturer of the evening. Whether there is any foundation in the rumor or not, it is evident that some of the young ladies of Manhattan are disappointed in not seeing our noble president. The members remember when it used to "snow" in Massachusetts to the detriment of the society every summer. No matter how hot the weather was "snow" could always be found in that far-off land. But after awhile the same "snow," with some additional flakes, was found in Kansas during the summer, and the society has flourished ever since.

Manhattan [is a regular(?)] Puritan town, just like Boston, only a little straighter. The streets in Boston are so crooked that it is supposed there is not a man in town who can tell the points of the compass. It has been humorously remarked that when people cross some of the more crooked streets they find themselves on the same side again! But Manhattan is well laid out and seems to be enjoying a substantial growth. The limestone of this place is celebrated and is used quite freely by the people here in building. It is a very desirable place of residence on account of its good society and the excellent privileges afforded by its churches and schools and college. Blue Mound still stands sentinel at the mouth of the Blue river, and is as fine a location for a first-class observatory as can be found in the state. Some of our men of wealth could not do a better thing than erect one there....

Editor's Notes .....

We thank all those who have contributed articles, especially ones neatly typed in copy ready form with 1" margins all around on 8 1/2" by 11" paper. [Thank you Tom Branigar and John Davies.] We need a few more articles and fillers for the November issue, the deadline for which is October 15, and strongly encourage contributions for subsequent issues.

SETTLERS IN GRANT TOWNSHIP, RILEY COUNTY, FROM JACKSON COUNTY, INDIANA, 1856-70

[The following was submitted by Kathleen Geist, 521 Gail Dr., Salina,KS 67401. She writes that, if anyone is researching these families, she could possibly help them as she has done much research on Jackson County, Indiana, and has several helpful books.]

While searching for information about my great grandfather, Richard T. Stanfield, I came across a group of pioneers from Jackson County, Indiana, that came to Riley County, Kansas. They were farmers who lived near Seymour, Indiana. Henry and Jane (Stanfield) Condray started the westward migration to Riley County in 1856. Many relatives and friends followed. They settled in Grant Township in the old Stockdale area. These names are taken from the 1870 census for Riley County.

LIBRARY HOURS

Tuesday, Thursday, Saturday	10:00-4:00
Wednesday	1:00-4:00, 7:00-9:00
Sunday	2:00-5:00

CLOSED: Easter, July 4, Sunday before Labor Day, Thanksgiving (Wed. & Thurs.), Christmas (Dec. 24-25), New Year's Day. In inclement weather, it is a good idea to call the library to be sure it is open.

MEMBERSHIP

Anyone interested in preserving family and community records is invited to become a member. Dues are $15.00 per calendar year per family unit. Members receive the current year's issues of Kansas Kin. Genealogists are on hand each Tuesday and Thursday morning to help with genealogical problems. Free classes are held periodically. An hour's free research is provided for out-of-town members. Members can buy books approved by the Acquisitions Committee as gifts to the Society, which will pay one-half their cost.

PROGRAM MEETINGS

See Dates to Remember. Meetings are held from 7 to 9 pm in the Manhattan Public Library (MPL) unless otherwise announced.

TAX EXEMPT GIFTS

All donations to RCGS may be deductible on federal income tax returns. The IRS has ruled the Society a tax exempt educational and scientific organization within the meaning of Section 501 (c)(3) of the Internal Revenue code of 1954.

MEMORIAL GIFTS

All monies donated in memory of a deceased member or non-member will be handled by the person on the Library Staff in charge of memorials. The deceased's family will be notified that the donation has been received by RCGS. After receipt, unless it is designated by the donor for a specific purpose, the Board will act within 90 days on how the money should be used.

The President Presents

This issue of Kansas Kin should conclude my opportunities to communicate with you in regard to our genealogical society. For those of you who do not live in Manhattan or the surrounding communities, or do not attend the membership meetings at the Manhattan Public Library, I encourage you to let your officers know of your ideas and suggestions on how to better serve you. Our society cannot grow without interest from its total membership!

Now a brief up-date: The annual workshop under the leadership of Jill Frese and her committee was another successful learning experience. Taking part were 85 members and vendors.

As a result of the September membership meeting, a "Library Space Committee" is being formed to consider the options we have to secure more space for additional research material.

An agreement has been made with a contractor to do some needed maintenance work on the Platt House. We hope this can be completed before winter arrives.

You will find a 1997 membership application enclosed. Please complete it and return before January 1 to help the membership committee.

It has been an interesting experience serving as your president. The slate of officers for 1997, as proposed by the Nominating Committee, is presented on page 76.

Cecil Eyestone

TRIBUTE TO THE EYESTONES

As they complete their terms of office this year, tribute is paid to the Eyestones for their many years of service to the Riley County Genealogical Society. Cecil will have completed three years as President this year and before that served as Building and Grounds Chairman for many years. Probably nobone knows the plumbing, heating, air-conditioning and maintenance systems of the Platt House better than he does as well as how much fertilizer the lawn requires or how many people can be depended on for the annual cleanup day.

Phyllis is a 21 year member of the Society and has been Membership Secretary for nearly 20 years. Her position required that she keep a current list of the membership, report any changes to the mailing secretary at least four times a year, and send dues notices annually. She has always made new members welcome and encouraged them to attend regular meetings as well as special events. She is probably the first person who has served on the Board for 20 years. Such devotion is rare and appreciated.

Thanks, Thanks to Cecil and Phyllis!

SPECIAL THANKS

To all the Computer Interest Group Volunteers who have continued to work on indexing our Riley County materials. These new indexes will be very much appreciated by all persons using our collection and by library staff as they assist others in research. Another dedicated volunteer, Dr J.H. Littrell, continues to work on indexing and special projects at his home. He recently recopied an entire book which was damaged. Not only did he save us space by making double sided copy but he added an index. We may not see him as a librarian any longer, but his tireless efforts for RCGS continue. Thanks Harvey.

NEW COMMITTEE FORMED

The Space Allocation Committee (SAC) was formed by Riley County Genealogical Society (RCGS) President Eyestone on 28 October 96. President Eyestone tasked the Committee with finding solutions to the RCGS's need for more library space. This committee is going to explore <u>all</u> possible solutions to our Library's space problems. The General Membership will be kept informed of progress through updates in the KANSAS KIN and the regular monthly meetings. If you would like to be a member of this committee, or have ideas you would like to express, or if you know of any available empty usable locations, contact Bob Brandenburg at: Home 587-0053, or Work 537-9771. Working together to get us all where we want to go is a hallmark of both our great country and our RCGS. R.L. Brandenburg

From the Junction City Kansas UNION
1 Apr 1871, page 2

Robert Wilson, Esq., first sutler at Fort Riley, spent Sunday and Monday in town. Mr. Wilson is well and favorably remembered by all old settlers for his liberality and enterprise. He was one of the originators of the town of Junction City, and the town contains several substantial relics of his interest in its success. He purchased the first newspaper press ever brought to Junction City and for some time supported the paper. He was largely interested in the historic town of Pawnee. Mr. Wilson came to Fort Riley in 1853 and remained until 1863. He now lives in Omaha. In 1853?he first came to Fort Leavenworth where he remained until 1842, when he visited the mountains. He returned to Leavenworth in 1843, and in 1844 was appointed sutler at Council Bluffs. He also visited Oregon, and was sutler for some time at Van Couver's Island, and again first sutler at Fort Kearney. He built the first houses ever built botn at Kearney and Fort Riley. During all this time he has made and lost countless fortunes, but we are glad to note the fact that he is comfortably fixed in this world's goods. He looks hale and hearty, and is apparently as he was ten years ago.

[From the Pueblo (Colorado) DAILY CHIEFTAIN, Dec 1, 1890, p4, c3. Dr. Jacob B. Mitchell, d. July 3, 1903 at age 72, pres. Union Nat. Bk. in 1890 & 1894, short obit. in Manh. Mercury, July 8, 1903, p. 7 (info thanks to Cheryl Collins & Riley Co Hist Soc)]

J. H. Mitchell, president of the Union National bank of Manhattan, Kas., arrived in the city last evening, and is a guest at the Grand. Dr. Mitchell was formerly a resident of this city, and yet owns considerable property here. Hartford Heights was once his property. He sold it for a high figure to the company which is now improving it. Dr. Mitchell is accompanied by his niece, Miss Parsons, and they will be in the city several days. The doctor took a leading part in the discussion of the consolidation question, when the three Pueblos were united and he is still deeply interested in all that concerns the welfare of the city.

FAMILY HISTORY//GENEALOGY AWARDS
General Rules

The August issue of KANSAS KIN (page 47) had an article explaining the Family History/Genealogy Awards which will be given at the 1997 conference of the Kansas Council of Genealogical Societies. The conference will be held in Wichita June 20/21. This article explains the general rules for the awards.

A. Each entry must have a Kansas connection.
   1. The compiler must be the person entering the Kansas Council of Genealogical Societies Family History/Genealogy Awards competition.
   2. The compiler must be an affiliate member of the Kansas Council of Genealogical Societies or a member of a genealogical or historical society that is a member of the KCGS.*
   3. The compiler or at least one member of a family mentioned in the Family History Publications and Genealogies must live or have lived in Kansas.

B. Each entry must have the name, address, and phone number of the submitter attached to it. (This will allow other genealogists who are interested in your surnames to contact you.)

C. Compositions will be judged, based on the category, according to a standard composition handbook. Example: The "MLA for Writers of Research Papers" or "Publication manual of the American Psychological Association" for the Scholarly Composition and "WRITE IT RIGHT" and "CITE YOUR SOURCES" for the categories: A Family History For the Family; Family History Using a Computer Software Program; and Family Newsletter.

D. All genealogical charts should be prepared according to the guidelines found in a standard genealogical handbook.
   1. Photocopies of genealogical charts will be accepted.
   2. All entries, including photocopies, must be legible.
   3. Typed charts (can be computer generated) and hand printing are the preferred methods, but cursive and calligraphy will be accepted. Use a pen with black ink to make handwritten charts.

E. How to submit an entry.
   a. All Family History Publications, Newsletters and Genealogy Charts must be sent to the Family History/Genealogy committee chairman, Ruth Hair Filbert, 1519 Willow Road, Hutchinson, KS 67502-2613 by the **1st of April 1997.**
   2. The award winning publications will be displayed at the KCGS 1997 conference.

F. **Do not send an entry that is an original or one of a kind.**
   1. All entries will become the property of the Kansas Council of Genealogical Societies.
   2. The entries will become a part of the Kansas Council of Genealogical Societies Collection at the Kansas State Historical Society Library and Archives.

Further explanation of the contest categories and complete rules are on file at the Riley County Genealogical Society library at 2005 Claflin, Manhattan or may be received by sending a LSASE to Ruth Filbert (address above).

*The Riley County Genealogical Society and the Riley County Historical Society are both members of the Kansas Council of Genealogical Societies.

PHYSICIANS OF DICKINSON COUNTY, KANSAS, 1879-80

(submitted by Tom Branigar, Abilene)

In Feb 1879 the KS legislature passed a law to regulate the practice of medicine in the state. The medical societies in KS were authorized to create a Board of Examiners which would issue certificates to persons who were qualified to practice medicine. To obtain a certificate, physicians could submit their medical diplomas to the Board to prove they had been trained at a legitimate medical school. They could also take an examination administered by the Board and would receive a certificate if they passed. However, the requirements did not apply to persons who had already been certified by one of the state medical societies, or who had been practicing medicine in KS for more than 5y prior to the act. For details of the law, see Laws of Kansas 1879, pp 235-240.

Once physicians had obtained their certificates, they were encouraged to record them with the co clerk in their co of residence. It was recently discovered that such a registration had occurred in Dickinson co, KS (DKCO). The DKCO clerk, possibly in an effort to save money, did not open a new volume to record the certificates. Instead, he had written them on some blank pages in the middle of Brand Record, Volume A. This volume is now in the archives at the DKCO Historical Society and the medical entries were found by accident while taking inventory. Only 18 physicians in DKCO recorded their certificates. Most of the certificates date from the summer of 1879, shortly after the law went into effect. Only 3 were recorded in 1880, which suggests that the law had fallen into abeyance within a year. Since most of the co records from this period were later destroyed in a courthouse fire, this register is one of the few surviving records of physicians in DKCO during this early period.

This article abstracts the information in the register. It includes the name of the physician, the page number in the volume where the certificate was recorded, the date of the certificate, and the evidence on which the certificate was issued. If the evidence was a medical diploma, the date of the diploma and the school which issued it are given. In some cases, the record merely states that the physician had passed the Board's examination or had "presented satisfactory evidence" that he was qualified. This latter phrase probably indicates he had fulfilled the requirement of having been certified by one of the state medical societies or had been practicing in KS for more than 5y. Additional info on the physicians is from the files of the DKCO Historical Society.

Editor's Notes .....

We have moved back after spending most of the last three years in San Antonio, so life will hopefully not be as hectic. We thank all of our contributors, especially those who submitted articles neatly typed in copy-ready form with 1" margins all around on 8 1/2" by 11" paper. Also, our deepest appreciation is owed to Evelyn Brown for doing the issues for last November and February. We have enough articles for the February 1997 issue but need copy for subsequent issues.

DEATHS AND MARRIAGES...

1 1 "We regret to announce the sudden and melancholy death of our old and valued fellow citizen, Capt. Jona. Cooper, harbor master of this port.

After dinner yesterday, Capt. Cooper proceeded as usual, to the discharge of his official duties on the wharves, and had just, we understand, directed the removal of a vessel, when he fell overcome by an apoplectic fit, and immediately expired. We leave it to his more intimate friends to render the proper tribute to his virtues, which were those of an HONEST MAN, *"the noblest work of God."--Savannah Geo. March 14.*

1 3 The Western Georgian says it is rumoured that Gen. Charles H. Nelson had been killed in an engagement with the Indians--that John Ridge had been shot in Arkansas, while engaged in addressing a Council of his countrymen, and that John Ross, principal chief of the Cherokees, had committed suicide.

WORLD WAR II DRAFT REGISTRATION RECORDS

(submitted by Tom Branigar, Abilene)

This article contains abstracts of World War II draft registration records at the Central Plains Branch of the National Archives in Kansas City, MO. The records are in the form of index cards containing information on men born between 28 Apr 1877 and 16 Feb 1897 who registered for the draft on 27 Apr 1942. There are almost 200,000 cards for Kansas, filed in one alphabetical sequence. During a recent visit to the Archives cards for the letters X, Y & Z were searched for residents of Riley and surrounding counties. Data copied include name, residence, and date & place of birth. The abstracts, arranged by county of residence and thereunder alphabetically, are given below. Only 4 cards were found for the letter X and these were a group of Greek immigrants living in Wyandotte co. A more detailed description of the records, and abstracts for other portions of the alphabet have appeared in previous issues of Kansas Kin.
