## President's Message

**by Jane Brown**

First, I wish to compliment our members and friends for RCGS' great 1998 accomplishments! Together, we have been extremely successful. Our patrons have expressed pleasure with the new accommodations of our library facilities, both the compact shelving design and the expanded computing services. The wonderful part of our success is that you were willing to share your gifts, both time and money, with the Society in the interest of those who research in our Library. We all say "Thank You!"

To move forward, we will revisit and develop action for the establishment of an on-going building fund, promising a future expansion and/or home that will make our library one of the key genealogical libraries in the State of Kansas; and in addition, the introduction of an endowment fund that in due time will provide a firm base for building our library collection. A committee is working on these projects.

Recently, work began on renovation of the library's basement. Some funds are being provided by the County Commissioners to reinforce and tuck the walls of this 1871 historic house as well as to restore the partial dirt floor with a concrete floor. This will create a dry storage area for some of our 'need to be saved' items. Additionally, the house will receive a new roof.

We are pleased to welcome three new board members: Elaine Olney-Acquisitions chair, Dorothy Dickerhoof-Public Relations Chair, and Ila Morrill-Workshop Chair. The continuing board members are listed on the inside front page. Thank you for your willingness to serve.

By the time you receive this issue of Kansas Kin, you will have received a mailing of our First FYI (for your information) newsletter. FYI does not replace RCGS's Kansas Kin, our quarterly publication, whose role is to publish genealogical research and archival materials. Also, with FYI, is an invitation to join and/or renew your 1999 membership. Please mail your $20 annual dues today. Membership dues are used to help support the library and its services.

As always, we are looking for volunteers. Whether you are a new member or a long-term member, we will welcome you. Please contact a board member to discuss your interests.

If you have not visited our completed "Eyestone Addition" (the library expansion), we invite you to do so. Your gifts made this addition possible!

---

Reminder - - -

Mid Feb and Mar - Training classes for computer assistants.

Mar/Apr - Beginning and advanced research classes.

## Editor's Notes .....

We thank all our contributors. We now have enough articles (barely) to fill the May issue, but need materials for future issues. We are much indebted to Richard Akins for the Index. We mourn the loss of Connie Cavenee.

**SAVE BEST CHOICE LABELS**

We continue to save Best Choice brand food UPC codes. For each 1,000 collected, we receive $30 from Associated Wholesale Grocers. Bring them to the library and place them in the marked can on the librarian's desk or mail them. All we need is the bar code like this sample. The numbers beneath are important, so try not to clip them off. Thanks for your help!

# INDEX TO DICKINSON COUNTY, KANSAS, DIVORCE CASES, 1901-1910

(submitted by Tom Branigar, Abilene)

The Dickinson County (DKCO) district court in Abilene, KS, recently microfilmed its early civil case files for the period 1882-1921. The files prior to 1882 were destroyed in a courthouse fire. A copy of the film is available for research at the Kansas State Historical Society in Topeka. The civil cases, totalling almost 8000 case files, include all the divorces filed during this period. However, the divorces are only a small percentage of the files. To make the divorce cases easier to locate, the docket books were read to identify cases which involved a divorce. The case files were then checked for additional information. A few files were found to be missing, but in most cases the documentation was complete.

This article indexes the DKCO divorce cases from 1901 to 1910. Each entry gives the names of the parties, the year the divorce was initiated, the file number, and the date & place of the marriage as given in the divorce proceedings. A similar index to the divorces from 1882 to 1900 appeared in the November 1997 issue of Kansas Kin.

## Computer Corner
**by Janeice Crosson**

Sometimes surfing the internet hoping to find some gem of information to add to your genealogy files can be profitable. More often it turns out to be a big time-waster and even frustrating.

There is information out there, however, lots of information about our ancestors and how they lived and perhaps died in days gone by. Ferreting it out just requires some organization and systematization of the way we search the web.

If we know the complete name of the ancestor as well as his date and place of birth, death, and marriage, we can then begin to search in a systematic matter. We can get by without some of the information above, but knowing which era and location to look in is a great asset.

The place I would start is the **USGenWeb Page <http://www.USGenWeb.com>** This is a central starting point which forms a kind of umbrella for the GenWeb pages from nearly all the states in the country. From there I can click on the state and then the county I want to search. Depending upon how knowledgeable the volunteer county coordinators are and how much time they have to devote to keeping the county page up to date, there will be much or little information to help me. These county pages vary greatly, but most provide at least some information about where one can look off line, such as addresses of genealogy societies and even of people who are willing to do lookups. There will be queries and perhaps cemetery lists. Sometimes there are even databases of surnames and census indexes. Several I have searched have had county maps which show the townships and even the cemetery locations. By printing these out and having them with me, I have been able, when I arrived on scene in the county, to choose the township roads that have led me right to the cemetery I wanted to find.

The state pages are linked to the USGenWeb page **<http://www.usgenweb.org/statelinkstable.html>** and the county pages are linked to the state pages, sometimes one can click on a map location and sometimes one chooses from a list.

Many states, unfortunately not all, have put their vital records directly online and you can even print off a form to fill out and send in for the records you are seeking. Probably the page will give you fee information and also any restrictions which apply to the record's availability.Every state can be accessed **<http://www.state.**(Insert state abbreviation here)**us/>**

I have discovered that Illinois, for example, will send some copies of information free for the asking. They do not have the official stamp, of course, but often are sufficient for my needs.

You may have to dig a little to find out which branch of the state government is the custodian of the records you are seeking. Sometimes the state's vital records division is under the State Department of Health, for example.

For nation-wide Vital Records try **<http://vitalrec.com/>** Another good site for linking to state records is Ancestry's state resource page at **<http://www.ancestry.com/sneresource.htm>**

Those of you who were in Michael Bean's session at our annual workshop have several other addresses to search in your notes such as Cyndi's List at **<http://www.cyndislist.com>** and Juliana's Links at **<http://www.ancestry.com/ancestry/testurlinks/search.asp>** and from the handouts you received. Next time I will add some ideas to these.

"OUR OLD PEOPLE - A LIST OF THE RESIDENTS OF POTTAWATOMIE COUNTY WITH THEIR AGES, WHO ARE SEVENTY-FIVE YEARS OR MORE OF AGE. DR PETER DOCKLER OVER 100."

The following is a list that appeared in the "Recorder" of July 5, 1906, published at Westmoreland, Kansas, and submitted by Sylvester C. Ekart, 807 N. Second St., Bismarck, ND 58501

SUMMARY: People from 100 to 104.....1, from 95 to 99.....1, from 90 to 94.....2, from 85 to 89.....17, from 80 to 84.....58, and from 75 to 80.....152, total 231.

The oldest person in the county is Dr. Peter Dockler of Onaga, commonly known as the "Old French Doctor." He has started upon the second century of his life. He was born October 5, 1805. Nancy Holder of Lincoln Township has ninety-seven years to her credit. Peter Barry of St. Marys and Eva Cramer of Belvue are each said to be ninety years of age. It is noticeable that the old men predominate over the old women nearly two to one. From the returns of the trustees, it appears that neither Vienna nor St. Clere have any inhabitants who are as much as 75 years of age. The trustee of Emmet Township did not report a list of residents over twenty-one years of age.

## QUERY

KK-37-1: HESTON, BENTLEY: I'm looking for descendants of James and Caroline (BENTLEY) HESTON. They moved to Ogden, Riley Co., from Columbiana Co., Ohio, in 1860 or 1861. They were still there in the mid-1880s. Among their children were Harold, Gertrude, Maude (died in childhood), Eva and Norman (died age 19), all born in Kansas. James HESTON was a farmer; Caroline taught school (at least for a while). Caroline BENTLEY was raised as a Quaker, but I don't know if the HESTONs remained practicing Quakers in Kansas. If anyone knows of this family, please contact me by e-mail at emily-f@cm-media.aol.com. Emily Foster.

## Helping Others Just Might Help You!

How often have you wished, "if I only had someone there to help in my research" ? I often receive an e-mail query on one of my surnames posted, or I will decide to look in our wonderful library for a clue on a line I've seen a query posted for - in Kansas or perhaps in an area where my ancestors lived. Sometimes we find some bit of history to share about a place or people living there.

Just last month I received a query on the surname Gruber. The person had been trying to locate information for her family member in Douglas Co. KS. I decided to browse in the materials we have at the Riley County Genealogical Society library. As I began to go through indexes in each book then all the periodicals for Douglas Co., I also noted references to another "G" name I research, Graham.

After numerous lookups and not finding much on Gruber, I continued to check the references for my Graham name. Surprise - almost disbelief.....there in our library - and for the last decade, was information I had been searching for over the past 15 years! The Pioneer, a quarterly, published by the Douglas Co. Genealogical Society, listed the Marriage Records for their county in 1890. Among those was Katie Graham's license to her first husband. Because she grew up in Osage Co. KS and was living in Topeka, Shawnee County, KS, I never looked beyond those areas for her records.

Although I could only give a slight bit of help to the person who queried me on Gruber, I gave myself a real treasure by volunteering my help to another. So - my advice to each of you - be willing to search for others, and **you** too will be rewarded!

Sherry Butler

## ANCIENT INDIAN VILLAGE SITES IN GEARY COUNTY KANSAS (cont'd from p. 14)

### GOTTFRIED ZUMBRUNN SITE

Gottfried Zumbrunn was born 22 Feb 1847/53 in Switzerland. He came to the U.S. in 1880. He and his brother Chris spent time in Junction City (Gottfried as a clerk in a grocery store), then purchased farms. In 1909 Gottfried owned 160 acres in Wingfield T12s, S18 and 400 acres in S17.

Gottfried married in 1874 in Switzerland to Maria/Elizabeth Mueller, d/o John & Elizabeth (Burgener) Mueller. She was born 1 Dec 1851 at Aschi Switzerland and died 13 Jan 1941 at the home of her daughter Clara Luthi. Gottfried died 12 Aug 1916 being crushed under a corn binder on his Humboldt Creek farm. Both are buried in Humboldt Cem.

The Zumbrunns had seven children, five living in 1900. The first two were born in Switzerland, the others in Kansas: **Godfrey Fred** b ca 1877, m 12/24 Mar 1903 Wakefield KS Rosa Luthi (18 Aug 1881 Switz - 13 July 1957 Oklahoma City), res Putnam OK 1941, Ch: Leo, Fred, Kenneth, Blanch Stout, Cora Concklin, Marie Young, Eunice Lind; **Christian E** b Aug 1879, d 1963, bur Humboldt Cem, m 30 Mar 1910 Geary Co. ## Presidents's Message
**by Jane Brown**

Your Board of Directors voted to honor three of our members by nominating them for their outstanding contributions to our Riley County Genealogical Library. We thank them for the service and leadership they have provided to the genealogical community.

Sherry L. Butler is nominated as a contender for Improvement in a Library Research Center. She was RCGS Library Chairperson for ten years (1988-1998). She trained and supervised a staff of 40+ volunteers, organized a library coordinating committee and a computer indexing project. During the construction of the new library addition, Sherry reorganized placement of its 40,000+ collection into stacks, reading and microfilm/fiche rooms and moved the Kansas collection into what is now called "The Kansas Room."

Sylvester C. Ekart of Bismarck, North Dakota is nominated as a contender for Publication of Local Records. He has abstracted vital records from Pottawatomie County Kansas newspapers and generously shared this information with Kansas libraries, even offering to permit one of the books to be sold. These books contain nearly 1,000 pages of births, marriages and deaths. Additionally, he has submitted at least ten articles for publication to RCGS' quarterly *Kansas Kin* and has given copies of his books on family lines to various libraries.

Awards will be presented at the Kansas Council of Genealogical Societies Annual Conference, June 11, Wichita, Kansas.

Evelyn J. Brown is nominated as a contender for the Filby Prize for Genealogical Librarianship which is being sponsored by the National Genealogical Society (NGS) and Scholarly Resources (SR), a leading publisher. The award is named in honor of P. William Filby, a nationally known librarian and author. This year's award will be presented at the NGS conference in Richmond, Virginia, 12-15 May. Nominees must be librarians whose full-time primary focus is genealogy and local history. It was the feeling of the board that with Evelyn's 26 years of leadership, vision, judgement, and contributions to the field of genealogy and local history, our nomination for her to receive such an award would be most fitting.

Announcement of these awards may be a bit premature, but in the eyes of the Riley County Genealogical Society membership, "Already, we have the three winners!"

A brief note to tell you how very successful our genealogy classes have been. Each were filled and there is a need to conduct second sessions to fulfill the registrations.

Have you stopped by the library to see our landscaping projects? The hyacinths and tulips planted last fall are in full bloom. The peony bushes, madonna lilies, and cushion mums are up. What a beautiful breath of spring! We now have a shepherd's crook holding a wren birdhouse and the birdbath has been filled expecting our little friends. All of this can be viewed through the lovely Victorian windows from the library. Our master gardener is Jan Gable. Thank you. .

Cecil Eyestone reports the basement walls are now tucked and concrete poured for the new floor. We thank Don and Mary Jo Hawkinson's teenage sons for their labor of love -- these young men carried, in buckets, the loose soil from the dirt floor in the basement. New soil has been mounded up and seeded around the foundation on the west side of the house, and Ed Bagley has begun his spring care of the rose garden. We thank you, Ed. Also, please note the nice stone wall laid around the library entrance sign. Thank you Dick Akin.

## Acquisitions

Most of the acquisitions this quarter have been because of the industrious project of Evelyn Brown. Evelyn wrote to 62 Historical and Genealogical Societies in Kansas, asking if they had published any materials that they would be willing to exchange with us for some of our materials. Her response has been most rewarding. As of now she has exchanged 27 publications with the Midwest Historical and Genealogical Society of Wichita and the Atchinson County Genealogical Society. Still to come will be publications from the Reno and Saline County Societies.

## THE QUIVIRA HISTORICAL SOCIETY
(submitted by Evelyn Brown, Manhattan)

The Quivira Historical Society was organized at Alma, Kansas on 29 Oct 1901. The object of the society was to preserve and perpetuate records of Coronado's great march from Mexico to the present territory of Kansas in 1540-42.

Officers were President, J.V. Brower, Minnesota Archeologist; Vice President, Prof. E.E. Blackman, State Archeologist of Nebraska; Chairman of the Executive Committee, Judge John T. Keagy of Alma KS; and Secretary, Prof. E.A. Kilian, retired principal of the Alma public shcools. Other members were F.W. Hodge, the late L.R. Elliott and W.J. Griffing.

In the autumn of 1902 the Quivira Historical Society erected a monument at Logan Grove south of Junction City. It was in commemoration of the discovery of Kansas by Coronado in 1541 and the rediscovery in 1896 by J.V. Brower. The Coronado obelisk was erected by Capt. Robert Henderson.

In 1904 the society erected a monument in the city park at Herington - "Juan de Padilla who here gave his life in 1542". He was considered the first man of white blood to be killed on Kansas soil. The site first chosen was the John Briggs farm on McDowell Creek in Geary County.

In 1920 an Indian (9 feet tall) monument was erected on the top of Henderson Point, the highest point at the junction of the Smoky Hill and Republican rivers in Geary County. The point was used by the aborigines as a ceremonial mound.

# ANCIENT INDIAN VILLAGE SITES IN WABAUNSEE COUNTY, KANSAS

researched by Evelyn J. Brown

Previous issues of KANSAS KIN had articles on the ancient Indian sites in Riley, Pottawatomie and Geary counties. This is a continuation of the sites in J. V. Brower's Memoirs of Exploration in the Basin of the Mississippi. Vol. 1. Quivira.

These are the sites charted in Wabaunsee county. Two of the landowners are in Pioneers of the Bluestem Prairie and their biography numbers in that book are given.

Baldwin site, on Antelope Creek
Pavilion site, near the Pavilion
Deep Creek site, near mouth of Deep Creek
Schmidt site, Mill Creek Valley
Keagy sites, Mill Creek Valley
Palenske (Frederick #1177) site, Mill Creek Valley
Dieball site, Mill Creek Valley
Adam site, Mill Creek Valley
Steinmeier site, Mill Creek Valley
Rickershauser site, Kuenzli Creek
Grave site, Mill Creek Valley
Thoes (John #1197), Mill Creek Valley

The numerous old Indian encampments and smaller village sites, not included in the above list, situated in the Mill Creek Valley, or near tributary creeks, explored by Judge John T. Keagy for this (1898) report, are situated upon the cultivated farms of the Messrs. Diehl, Heidel, Schepp, Muhlenbacker, Schultz, Grimm, Volland, Fix, Johnson, Boettcher, Kreig, Wertzberger, Maas, Reuter, Haller, Kratzer, Hankammer, P. Thoes, Strassen, Schwanke, Pauley, Mulvane, McFarland, McCrumb, Hund, Ross, Demeron, Nelson, Thowe, M. Hund, Nuttman, Sharrai, Collins, and Snokomo, and one site is at the depot grounds at the city of Alma, and the known site near Maple Hill on the lower course of Mill Creek.

SHERMAN A. BALDWIN SITE

Sherman A. Baldwin was born 29 June 1827 at Meriden CT. His parents moved to New Britain CT ca 1830 where he attended school until he was sixteen. Then he was clerk and bookkeeper for his uncle, J. G. Baldwin, in his store at Middletown CT.

After four years with his uncle, he purchased an interest in a manufacturing concern at Branford CT. They manufactured all kinds of locks and doorknobs and opened a store in New York City of which Sherman took charge.

After two years he disposed of his interest and came to Kansas as a member of the Connecticut Colony organized by C. B. Lines of New Haven. Sherman signed the Articles of Agreement at a meeting in New Haven 11 Mar 1856. The Beecher Bible and Rifle Society left for Kansas 29/31 Mar 1856 and arrived in April 1856.

In the fall of 1856 Sherman returned East and married Jane "Jennie" Augusta Barnes of New Haven in March of 1857. That spring they came West

and lived in a tent until completion of their house in Wabaunsee County. In 1857 he went on a buffalo hunt with others.

The 1885 atlas of Wabaunsee County shows Sherman as owning 160 acres in Section 21 of Wabaunsee township on Antelope Creek. He was on the board of directors when District 2 school was formed 15 Oct 1859. He was a road overseer in 1863, a township trustee for seven years, and had charge of the building of the Wamego bridge across the Kansas River.

He served several years as deputy clerk of the district court, was elected register of deeds in 1863 and 1865, was appointed county clerk in July 1865 and served two terms as a member of the state legislature (elected in 1874 and 1875). He was a farmer and stockman and was reportedly a Civil War veteran.

## THE QUIVIRA HISTORICAL SOCIETY

(continued from p.25)

This Indian monument was erected by sons of the late Capt. Robert Henderson. James Bell Henderson was president of the Geary County Historical Society. Robert Douglas Henderson was a life member of the Quivira Historical Society and custodian of Logan Grove and the Coronado obelisk erected by his father. Logan Grove was nearly 2,000 acres originally. The Grove contained the first cabin built by a white settler in the region and was used during the early days various as a fort, habitation, church, school house and political meeting place. Capt. Robert Henderson received the land warrant for the Grove as a reward for military heroism.

# INDEX TO DICKINSON COUNTY, KANSAS, DIVORCE CASES, 1911-1916

(submitted by Tom Branigar, Abilene)

The Dickinson County (DKCO) district court in Abilene, KS recently microfilmed its early civil case files for the period 1882-1921. The files prior to 1882 were destroyed in a courthouse fire. A copy of the film is available for research at the Kansas State Historical Society in Topeka. The civil cases, totalling almost 8000 case files, include all the divorces filed during this period. However, the divorces are only a small percentage of the files. To make the divorce cases easier to locate, the docket books were read to identify cases which involved a divorce. The case files were then checked for additional information. A few files were found to be missing, but in most cases the documentation was complete.

This article indexes the DKCO divorce cases from 1911 to 1916. Each entry gives the names of the parties, the year the divorce was initiated, the file number, and the date and place of the marriage as given in the divorce proceedings. A similar index to the divorces from 1882 to 1910 has appeared in previous issues of Kansas Kin.

## Book Review
## by Janeice Crosson

**Yea We Have a Goodly Heritage, the Founding of Methodist Churches and Families in Riley County Northwest of Fort Riley,** by Marjorie Sand

This is a soft cover book containing a collection of notes, histories about the areas, lists of marriages, a few pictures of one of the churches and its parsonage, baptisms and family sheets. It is not indexed, but there are many familiar names of people included in its pages.

It will be located on the new acquisitions table and then placed in the Kansas room for researchers.

**The Arrol, Arroll, and Arrell Families,** by John Arrol, published by Arrol House Publishers, Danville, CA.

This is a nicely bound book containing a lot of information about the named families, some notes about Scotland and some pictures of the early members of the family.

The table of contents gives the reader a good place to begin locating general information and the many indexes in the back of the book allow him to narrow down his search. There are 80 separate indexes listing data such as births, marriages, and deaths of the family members. They are divided into location as well as by the different spelling of the surname.

The author begins his book with several pages of general information about his family including the popularity of several given names and the naming patterns used by the family. He discusses the dominant religions adhered to by the family, and the education achieved by the family members.

In Chapter II the author discusses the origin of the name. he indicates that the name may have been a derivative of a place name Errol, a village in the Carse of Gowrie. He then gives an account of the earliest mention of the family name, about 1329-1370. The clan charts indicate that the name Errol is a sept of the Clan Hay. Some Arrol families will associate with the Clan Graham of Montrose. This is the designation adhered to by the author.

Mr. Arrol has done a prodigious amount of historical research, much of which he documents in this book. A nicely written short history of the strife in early Scotland into which the early Arroll ancestors are tied, is worth reading even by someone who isn't connected to the Arrol family at all.

The book will be located among the new acquisitions at the library.

## President's Message

**by Jane Brown**

The Society wishes to express a warm **THANK YOU to RCGS members Tom and LeJuan Shrimplin who recently made a generous contribution.** They wrote, "We recently retired and wish to share some of the proceeds from the sale of our business as a thank you to the Society who has been most helpful in our research over the past few years." This gift will be put to good use. Giving can be just a generous way of sharing and, in addition, it can be a tax benefit. Either way, it is a win-win way for you to contribute meaningfully to the Society and to save some money on your tax return at the same time. RCGS thanks you and all of our wonderful potential contributors.

**Memorials** to deceased members or friends are a fine way of giving tribute to loved ones. These donations to RCGS are free of income tax. Memorial monies are used for acquisitions as you will note in the list of new acquisitions in this issue. There you will find what the memorials to Grace Woldt and Connie Cavenee have provided for the library. On the back cover of *KANSAS KIN*, deceased members are shown under "In Memoriam." **Your gift remembrance will place their names in the RCGS Memorial book.**

At their July 9 meeting, the RCGS board voted to establish a **millenium project of re-reading the cemeteries of Riley County.** All burials before the year 2000 and not included in the books done in 1979 (Sunset Cemetery) and 1985/6 (Riley County Cemeteries excluding Manhattan) will be published in new volumes. There are 36 cemeteries that will need to be read next spring. If you are interested in helping with this project you may enter your name on the sign-up sheet in the library, or call the library and ask that your name be added to the list.

When RCGS was founded in 1963 one of its purposes (which is stated in the By-laws) was **"to collect Bible records in possession of the members and the unpublished vital records in this and surrounding counties of the state."** It was further stated that its purpose was "to preserve early records by publication of the Society's periodical *KANSAS KIN*." An effort should be made to solicit Bible records from our current members as well as published family diaries, stories, and pedigree charts. If any members have in their possession or know of vital records that should be shared with those researching Kansas ancestors, an effort should be made to secure those records and submit them for inclusion in *KANSAS KIN*.

I wish to **announce the Annual Relay for Life – fund raiser for American Cancer Society** will be held August 28, 7 p.m. at Bishop Stadium. Because cancer has touched so many lives, and many of us here at RCGS, the board voted to invite our members and friends to particiate in this 1999 Relay for Life fund raiser. **"How to participate is listed elsewhere."**

The **Annual RCGS Workshop will be Saturday, October 23**, at the First Presbyterian Church. The outstanding program is **explained on an adjoining page. A handmade quilt, a Purple Power baby sweater and booties, plus a fall wreath have been donated for drawings; you need not be present to be a winner.** The quilt, The Kansas Schoolhouse, was handmade by Miriam Field and Ila Morrill; the baby sweater was hand crocheted by Judy Lookhart, and the wreath handmade by Mary Cottom. Tickets may be obtained at the library, or ordered through the mail. The contribution to enter the drawing is one dollar for each item, or five dollars for six tickets. These items have been donated so the full proceeds will be used for items at the library.

**Applause to:** Evelyn Brown, recipient of the Federation of Genealogical Societies (FGS) National Award of Merit; Jill Frese, FGS Scholarship Award to the St. Louis Conference. The Kansas Council of Genealogical Societies' recent appointments include three RCGS members: Wilda Connell, State Tour Guide; Janeice Crosson, State Newsletter Editor; Joan Page, District 4 Representative.

October 23, 1999:
RCGS Annual Workshop

The "Finding Your Irish Ancestry" workshop registration will start at 8:15a.m-4: 00 p.m., Saturday, October 23, 1999 Guest speakers are Ida Troye, Beth Mullinax on "Irish Genealogy" and Wendell Knowles on "Recording your Family History". Ida Troye and Beth Mullinax will speak on Irish Research and Wendell Knowles will encourage and demonstrate using video and computer technology in compiling family histories.

**Ida Troye** has been active in genealogy for 17 years. She has been on the Board of the Irish Genealogical Society, Int'l in one capacity or another since 1989. She has been the editor of the IGSI Journal (THE SEPTS) for seven years. Ida started teaching beginning Irish genealogy 5 years ago, and was the guest speaker in Rochester, NY at their Annual Meeting.

Successful family search has taken her back to Ireland to walk the land the family lived on in Tipperary. Planner and engineer of several family reunions, she now has more than 1250 members for one Irish family that settled in Sibley Co., Minnesota in 1852.

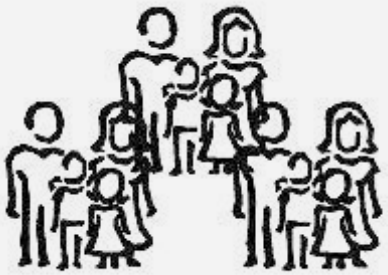

**Beth L. Mullinax** has been doing Irish research since 1981. She is past president of the Irish Genealogical Society, Intl. (IGSI), as well as other positions on the Board since 1983. Beth has lectured on Irish research, basic and advanced, all over Minnesota, as well as Illinois and Iowa. With fourteen trips to Ireland, for research and fun, she is aware of the records available, both here and in Ireland. She has led four research tours to Ireland and taken hundreds of slides and pictures.

The IGSI librarian since its inception, she is aware of the Irish research collection housed at the Minnesota Genealogical Society's Library.
After researching for almost 20 years, Beth has learned what to do and what not to do when you are getting started. Time can be saved and more information gathered the first time, by following a few simple rules. Also, she might alert you to some easily available records you have not heard of before!

**Wendell Knowles** is an authority on "Easy ways to produce a fine family history for your descendants." A resident of Salina, he is a professional writer for well-known magazines. He has also produced informative educational video programs. He uses an effective combination of live or oral interviews and genealogical research documentation to create a family history for distribution to your family and friends. He calls his business "Video & Computer Family Histories". His afternoon session will show how you can create a family history, or, alternately, how he can use your information to create one for you.

Ila Morrill is our workshop chairman working with a busy committee. This is an outstanding workshop and we are looking for you to attend.

"Ties That Bind", Let's put it together.

## RELAY FOR LIFE
**August 28, 1999**

The 8th annual Relay for Life, fund raiser for the American Cancer Society will be held August 28th at 7 p.m. at Bishop Stadium Track, CiCo Park, Manhattan. It will continue through the night to 7 a.m. Sunday, August 29.

The Riley County Genealogical Society will have a team taking part. **Sherry Butler has volunteered to organize the RCGS team.** We would like at least 12 participants who will spend some time at the track, walking or giving moral support. Each person is asked to donate $10 at registration, and collect pledges to raise additional money. Perhaps you'd like to make a pledge rather than "be there." Luminaries bearing the name of a victim or survivor can be designated by a donor. A donation of $10 is suggested to "purchase" a luminary. For more information, visit our library or phone Sherry @ 537-9371.

**Won't you be on our team?**

## Book Reviews .....

**Book Reviews by Janeice Crosson**

***Harrel, by Dean Duncan, updated in March 1999.***

This is a genealogy for Harrell and related families.The earliest ancestor listed is Jeremiah with notes that perhaps William Harrell might be his progenitor. [The name in earlier times was spelled Harrellson.]

The author provides a migration trail map, a short version of the family lineage, photographs of some family members, and facsimilies of some documents. There are many family group sheets and narrative items.

For a person who is researching these lines, this family history book might be very helpful.

It will be located among the new acquisitions in the RCGS library.

***Patriots' Registry and History of the Kansas SAR,*** published in 1991 by the Kansas Society of the Sons of the American Revolution.

This book was presented to the library by Robert Brandenberg who is president of the local chapter of this society.

One finds history of Kansas societies, photographs of some officers, information about the society's Eagle Scout program, a list of former presidents, the organization's constitution and by-laws, a membership index and an ancestor index.

It will be placed among the new acquisitions in the library and will be a welcome addition to our military history sources.

## CHRISTOPHER DIEBALL SITE

Dieball is also spelled Debold/Deball/Diebald. Christopher was also found as Christian and Christoph.

Christopher Dieball was born in Germany in 1811 and married Henrietta Maike (1820-1889) there. They married around 1842 and brought five children with them when they came to America. Leaving Charfrou Germany on 2/9 Oct 1856, they docked at New Orleans in December, and came up the Mississippi River to Westport MO. Travelling by covered wagon and ox team to three miles west of Alma, they settled in Alma township on 9 March 1857. A log cabin was built near where Loire Creek flows into West Mill Creek.

Christopher was a farmer and died in 1872, the first grave in the Fairview Cemetery, District #8 where his wife Henrietta was also buried.

## President's Message

by Jane Brown

As the year 2000 approaches we find it only natural that we--as family history researchers--take stock of where we have been and where we are going. In order to do that, I would like to share with you an article by David E. Rencher, president of the Federation of Genealogical Societies, wherein he describes the Millennium Thrust **proposed by the White House Millennium Council,** (*FGS FORUM,* vol.10, No. 4), and how family researchers will be able to participate.

"***My History is America's History*** will attempt to create a portrait of America at the end of the twentieth century. The National Endowment for the Humanities (NEH) is tasked with making this happen. A major component of this project will be the creation of a kit of materials to assist people in writing their personal histories. The kit will be available as a printed product and backed up by a very complete web site. One feature will be a "saving family treasures" tip sheet to suggest ways people can care for their photographs, diaries, family bibles, quilts, wedding dresses, jewelry, and other valuable family heirlooms.

The NEH is hoping this project will create a large collective record of who we are. They believe that most people can become interested in writing about their favorite subject--themselves. NEH also believes that **the responsibility for telling my personal history is *mine*."**

There are numerous examples of local millennium events already underway. Perhaps it is time for each of us to create personal goals and to write (or update) our individual histories and the histories of our families. At some point, our research needs to cease and the writing begin. **Why not use the new millennium as an "action forcing deadline" and contribute our own personal history to the fabric of America?**

Our January meeting, the first in the new millennium, is titled, ***Family Treasures in the RCGS Library.*** Your vice president and program chair, Joan Page, will introduce you to the family histories donated to our library and hope to have those who contributed them share the "how to" side of their collections. Then in the same vein, the February meeting will overview ***Making Use of Computing Resources, at home and Library.*** We hope to have some innovative materials to share with you so you can **begin your new "Millennium Project."**

As of October 1, 1999, RCGS has an FGS website at **<http://www.fgs.org>.** This, too, is part of FGS' new millennium project

Your RCGS Board has adopted the ***Millennium Project to re-read Riley County Cemeteries.*** This will begin as soon as the warm spring days arrive. If you have a favorite cemetery you wish to read, please sign up at the library soon.

Along with these projects, it is our pleasure to announce that the **RCGS Workshop 2000, October 28,** will host as speaker, **Dr. George K. Schweitzer.** He is a favorite lecturer to the genealogical community. You will not want to miss hearing him. Also, the **Year 2000 FGS Conference will be in Salt Lake City, September 6-9.**

The position of RCGS Library Chair is vacant. We welcome your nominations. There are a few changes to announce and to say a **"big thank you to all of these volunteers":** Don Dubois has served on the Periodical Filing Group for several years and has announced his retirement. Jim Cavenee graciously accepted to be his replacement. Helen Long, cataloger, has a new assistant, Muriel Wilson. Mary Joerg, Bessie Wray, Kelly Freeman, Judy Lookhart, and Janine Rittel retired as librarians. We hope you will volunteer to become a librarian (call 565-6495 to volunteer). **A special thank you to Miriam Field** for scheduling the volunteer librarians; many phone calls and hours go into this project!

Have you sent your reservation for the **Annual Membership Dinner Meeting, Monday, November 15, Zeandale Community Church, 6 p.m.?** We have an excellent speaker and delicious food served by the church ladies. Hope to see you there.

---

**Thank You**
**38th Annual Workshop**
**Chairman, Ila Morrill, and her committee and helpers !**

**A Big Success !**

# ANCIENT INDIAN VILLAGE SITES IN WABAUNSEE COUNTY KANSAS (concluded)
## PART THREE
researched by Evelyn J. Brown

## FRANK RICKERSHAUSER SITE

Frank Rickershauser was born at Neustadt, Hesse Cassel Germany 9 Mar 1833. He came to America in 1852 locating at Connersville IN. In Oct of 1856, he came to Kansas and located a claim at the head of the Wakarusa. Then in 1868 he came to Wabaunsee county, near Halifax, then bought a 4,000 acre farm near Paxico in 1875.

He was reportedly a Civil War veteran. 19 Feb 1863 he married Moneka/Monica Gerhard in Shawnee County. She was born in Apr 1830 in Prussia and died 12 Aug 1908 in Wabaunsee County. They were divorced.

Frank was a cattleman and also one of six owners in the Alma Salt Works which began 20 Jan 1875. 25 huge kettles were used and the salt was sold for $2 a barrel.

26 Oct 1889 an engine and 43 empty freight cars were derailed by a cow on the track on Frank's farm near Paxico. He had between 50 and 100 rods of stone fence. There was a big village of Pottawatomie on the east side of Kuenzli Creek on what in 1896 was the Rickershauser farm.

Frank and Monica had two children: **William** b Oct 1863, d 1931, m 22 Jan 1893 Wabaunsee Co to Emma K. Diebing b Feb 1869 GER, d 1933, both bur Alma City Cem; **Anna** b ca 1867 KS.

Frank m (2) 28 Dec 1879 Wabaunsee Co to Florence, d/o James McMahan. She was born in May 1856 in PA. Children: **Edward M** b 1882; **Frank** b Apr 1885; **Charles** b Oct 1886; **Susan M** b Jan 1892.

The 1885 Wabaunsee County atlas shows Rickershauser's holdings were in Sections 4,7,18& 25 of Newbury township. The 1902 atlas shows holdings in Section 30 also. In 1905 Mrs. Rickershauser owned 2,800 acres in Newbury township.

Frank died in 1903 and is buried in the Newbury Cemetery, Wabaunsee County.

## FRANK SCHMIDT SITE

Franz/Frank Schmidt was born 27 Jan 1824 in Bayern Germany and in May 1850 married Lidwina (Lewena/Litwina/Lorena/Lovena/Lydia) Eschay (Escheid/Ashra/Ashi). She was born in Bavaria in 1822. A daughter **Mary Anna**was born in 1851 in Bavaria.

The family came to Wabaunsee County 10 Apr 1855 with the Cincinnati Colony. Franz drove one of the ox teams from Westport to Alma. They settled in Mill Creek township. He reportedly served in the Civil War.

In 1885 he owned 160 acres in Section 9 of Alma township, a mill in

(contd)

Section 15 on the west branch of Mill Creek, and 160 acres in Section 21 also on the west branch.

Frank was a petit juror in Feb 1860. In June 1865 he petitioned for a new school district - the north half of District 8 which was designated as District #16.

The Schmidts were Catholic and donated land for building a church, parish house and cemetery. The first Catholic church was built in 1874. Their home, east of the church, was purchased in 1959, named Pius X, and used for religious instruction until it was remodelled into classrooms and an office in 1961.

Frank donated all the stone from his quarry west of the Alma Cemetery for construction of St. John's Lutheran Church. The Alma Liederkranz (German Singing Society) erected their building on Frank Schmidt's land near Alma.

Mary Anna died in 1872, Frank in 1902 and Lidwina in 1906. All are buried in Holy Family Catholic Cemtery, Alma.

## FREDERICK STEINMEIER SITE

Frederick Steinmeier was born 14 Jan 1824 at Detmold Germany. He married Fredericka Dorothea Holzapple, d/o Sigmund & Dorothea Holzapfel, 3 Nov 1856 in Bremen Germany. She was born 27 Feb 1834 in Gottingen, Hanover Germany and taught kindergarten in a baron's home before her marriage.

They sailed for America, landing in New Orleans on 21 Dec 1856. There was an epidemic of yellow fever there so they took a Mississippi steamer to St. Louis MO, then a train to Hermann MO, then a steamboat on the Missouri River to Westport Landing (now Kansas City MO).

The couple went by covered wagon and oxen to the German settlement in Wabaunsee County, reaching there 8 Mar 1857. They built a log cabin four miles south of Alma and had 320 acres of good farming land in Section 11 of Farmer township on the middle branch of Mill Creek.

During a June 1858 cloudburst and flood, the creek was half a mile wide and 10 to 20 feet deep. Frederick and Fredericka attempted to escape through their front door and were met by an inrushing wall of water. They knocked aside the clapboard of their roof and perched atop the cabin until the waters receded the next day. One life was lost during the flood, that of Mr. Moettcher, who drowned while attempting to rescue the Steinmeyers from their housetop. The Steinmeyers lost everything except what they were able to take to the rooftop.

Frederick served in the Civil War on the Union side, joining in 1861 and serving until 1865.

On 26 Mar 1896 Fred Sr. had both shoulders dislocated in a runaway. Fredericka died 20 Jan 1910 of acute bronchitis and Frederick less than

a month later on 10 Feb 1910 of pneumonia. They are buried in St. John's Cemetery in Alma.

# INDEX TO DICKINSON COUNTY, KANSAS, DIVORCE CASES, 1917-1921

(submitted by Tom Branigar, Abilene)

The Dickinson County (DKCO) district court in Abilene, KS recently microfilmed its early civil case files for the period 1882-1921. The files prior to 1882 were destroyed in a courthouse fire. A copy of the film is available for research at the Kansas State Historical Society in Topeka. The civil cases, totalling almost 8000 case files, include all the divorces filed during this period. However, the divorces are only a small percentage of the files. To make the divorce cases easier to locate, the docket books were read to identify cases which involved a divorce. The case files were then checked for additional information. A few files were found to be missing, but in most cases the documentation was complete.

This article indexes the DKCO divorce cases from 1917 to 1921. Each entry gives the names of the parties, the year the divorce was initiated, the file number, and the date and place of the marriage as given in the divorce proceedings. A similar index to the divorces from 1882 to 1916 has appeared in previous issues of Kansas Kin.

SAVE BEST CHOICE LABELS

We continue to save Best Choice brand food UPC codes. For each 1,000 collected, we receive $30 from Associated Wholesale Grocers. Bring them to the library and place them in the marked can on the librarian's desk or mail them. All we need is the bar code like this sample. The numbers beneath are important, so try not to clip them off. Thanks for your help!
